INTRODUCTION TO 2026-2027 EDITION

This 2026-2027 Edition of *Georgia Workers' Compensation Law and Practice* is a complete resource on handling workers' compensation claims in the State of Georgia. All critical Georgia statutory and case law regarding workers' compensation is quickly accessible in the pages of this volume. In the 2026-2027 Edition, new material was added and/or existing material updated on the following subjects, among others:

- Arising out of and in course of employment
- Assault by third party
- Personal dispute
- Exclusive remedy
- Employer immunity
- Subject matter jurisdiction
- Affirmative act of employer
- Summary judgment
- Estoppel
- Actions of co-employees
- Subrogation lien
- Economic vs. non-economic losses
- Panel of physicians
- "No liability" stipulation
- Release

This 2026-2027 Edition replaces the 2025-2026 Edition, which now may be recycled or discarded.
