WHMIS 2015 Compliance Manual

This update is a revision of the Appendix titled “Overview of Additions and Variations in Provincial and Territorial WHMIS Regulations”. At the time of publication, Nova Scotia had not yet amended its WHMIS rules to comply with the 2015 changes to the Hazardous Products Act and Hazardous Product Regulations. In June 2024 the updated legislation was published included in Part 3 of Nova Scotia’s Workplace Health and Safety Regulations under the Occupational Health and Safety Act. This revised Appendix now contains the specific Nova Scotia requirements.
