<b>TRADE UNION LAW IN CANADA</b> <b>M. Mac Neil, M. Lynk and P. Engelmann</b> <b>Release No. 2024-1, March 2024</b>
---

A resource designed around the concerns of labour unions, Trade Union Law in Canada comprehensively explains the various strands of the law that affect the internal affairs of trade unions. While examining the relationships between unions and their members, Trade Union Law in Canada provides analysis of the legal character of unions, including their legal status, security, and politics, as well as a review of union structures, constitutions, and the election of union leaders. Matters of internal discipline of union members and the duty imposed by law on unions to provide fair representation are examined and clearly explained.
