CRIMINAL LAW PRECEDENTS David Watt Release No. 5, December 2023
--

Criminal Law Precedents, 2nd Edition contains authored precedents required for every stage of a criminal proceeding, set out in procedural order. Justice Watt provides expert guidance on completing each legislative form enabling you to save time and avoid costly mistakes. Each form is accompanied by a practice note and related provisions and principles, adding cross-references where applicable to Tremeeear's *Annotated Criminal Code*, *Watt's Manual of Criminal Evidence* and *Watt's Manual of Criminal Jury Instructions*, making it the perfect companion publication.

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
