ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
- Footnote text only appears in ProView-generated PDFs of entire sections and pages
