#### Introduction

This publication is an all-in-one practical guide that enables the lawyer or law clerk to handle a family law matter in Ontario. The work is a comprehensive guide organized in the order a family law lawyer may confront the issues in a typical family law file. Each chapter begins with a discussion of the law, procedure and the issues that may arise. This discussion is meant to give a practical background in the subject with tips for the practitioner. The discussion is then followed with checklists, precedents and forms — the practical tools to enable the lawyer or law clerk to do his or her job.
