Quigley's Criminal Procedure in Canada

David Rose

Release No. 1, February 2024

This publication provides a complete and practical guide to the various steps in the criminal process, beginning with the investigative stage, through the pre-trial stage after a charge has been laid, the trial process itself and, finally, post-trial issues, including appeals. The author covers the "traditional" aspects of criminal procedure established by the common law and the *Criminal Code* (and in other federal and provincial enactments) and, in addition, analyzes the procedural guarantees contained in the *Canadian Charter of Rights and Freedoms*.

What's New in this Update

In this update to Quigley's Criminal Procedure in Canada, new material is added on: language interpretation (See § 4:3); the threshold test for relief under s. 24(2) of the Charter (see § 4:14); warrantless seizure under s. 8 of the Charter (see § 8:7); reasonable expectation of privacy under s. 8 of the Charter (see § 8:7); amplification when a search warrant is being scrutinized for lawfulness (see § 8:11); cancellation of bench warrants for persons who do not appear in court (see § 9:9); jury trials (see § 20:1); mistrials (see § 20:13); the unrepresented accused—amicus curiae (see § 21:11.50); and summary conviction appeals to the Court of Appeal (see § 24:33).

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
- Footnote text only appears in ProView-generated PDFs of entire sections and pages
