FINANCIAL PRINCIPLES OF FAMILY LAW

Andrew J. Freedman & Timothy Martin

Release No. 4, August 2025

This reference comprehensively brings together such varied family law financial issues as valuation, taxation, Federal Child Support Guidelines, income determination, and case law analysis. Preparation for examination for discovery and cross-examination of other experts on valuation issues is supported by a detailed analysis of valuation concepts, terminology, and methodologies for the valuation of business interests and other types of assets and liabilities.

What's New In This Update

This release includes the revised and updated Chapter 40, Income Tax Aspects of Family Law.

The update includes:

- a new section 40:58.50 Reducing Tax Withheld at Source-Support Payors; and
- 2025 Personal Tax Credit Table – Federal and Provincial Values.
