FINANCIAL PRINCIPLES OF FAMILY LAW

Andrew J. Freedman & Timothy Martin

Release No. 2, April 2024

This reference comprehensively brings together such varied family law financial issues as valuation, taxation, Federal Child Support Guidelines, income determination, and case law analysis. Preparation for examination for discovery and cross-examination of other experts on valuation issues is supported by a detailed analysis of valuation concepts, terminology, and methodologies for the valuation of business interests and other types of assets and liabilities.
