Release 1, December 2021**

Publisher's Special Release Note 2020

The pages in this work were reissued in December 2020 and all the pages carry that date in the release line. Please note that we have not reviewed the content on every page of this work in this current release. We will continue to review and update the content according to the work's publication schedule. This will ensure that subscribers are reading commentary that incorporates developments in the law as soon as possible after they have happened or as the author deems them significant.

Changes to chapter and heading numbering may have occurred. Please refer to the Correlation Table in the front matter if you wish to confirm references.

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases, Table of Statutes and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally grayscale and size is now adjustable
