Highlights

§ 3:446 Rule 57.01 Costs — General Principles

WSIB Investments (Infrastructure) Pooled Fund Trust v. Plenary Group (Canada) Ltd. et al., 2025 MBKB 73, 2025 CarswellMan 186 (Man. K.B.), *per* Kroft J.

The Court is empowered by rule 57.01(3) to set costs with or without reference to Tariffs A or B. An award of enhanced costs does not need to be “connected” to the tariffs in any way. Solicitor/client costs are not appropriate in this case as such costs are generally reserved to address conduct occurring during the litigation process as opposed to pre-litigation conduct.

ProView Developments

Your ProView edition of this product now has a new, modified layout:

- The opening page is now the title page of the book as you would see in the print work
- As with the print product, the front matter is in a different order than previously displayed
- The Table of Cases and Index are now in PDF with no searching and linking
- The Table of Contents now has internal links to every chapter and section of the book within ProView
- Images are generally greyscale and size is now adjustable
- Footnote text only appears in ProView-generated PDFs of entire sections and pages
