Factual conclusions and legal interpretations of agency, review of

Generally, **15:29 to 15:42**

Compliance with agency regulations, **15:41, 15:42**

Conflicts in evidence, **15:33**

Deference to agency's interpretation, **15:39 to 15:42**

Factual conclusions, generally, **15:29 to 15:36**

Finding or non-finding of substantial evidence, **15:35, 15:36**

Inferences, **15:32**

Intensity of judicial review, **15:37**

Legal interpretations, generally, **15:38 to 15:42**

Limits of deference, **15:40, 15:42**

Sources of substantial evidence, **15:31**

Statutes and statutory provisions, **15:30, 15:38**

Substantial evidence, generally, **15:29 to 15:33**

Test applied, **15:34 to 15:37**

Weight of evidence, **15:32**

Fault

Nuisance, role of fault, **3:6 to 3:8**

Trespass, fault requirement, **4:2**

Federal environmental statutes

Generally, **6:1 to 6:15**

Air pollution. See Air Pollution (this index)

Clean Air Act. See Air Pollution (this index)

Clean Water Act. See Water Pollution (this index)

Comprehensive Environmental Response, Compensation, and Liability Act, **6:15**

Constitutional law. See Constitutional Law Matters (this index)

Disclosures. See Disclosure Legislation (this index)

Effluent limitations and standards, **6:8**

Endangered Species Act. See Endangered Species Protection (this index)

Generator standards, **6:12**

Groundwater protection systems, **20:8, 20:9, 20:24**

Hazardous waste. See Hazardous Waste Site Cleanup (this index)

National ambient air quality standards, **6:4**

Oil spills. See Oil Spill Legislation (this index)

Overview, **6:1**

Plans for state implementation of clean air act, **6:5**

Federal environmental statutes—Cont'd

- Resource Conservation and Recovery Act, generally, **6:10 to 6:14**
- State implementation of clean air act, **6:3 to 6:5**
- Transporter standards, **6:13**
- TSD facility standards, **6:14**
- Water pollution. See Water Pollution (this index)

Federal model

- State organizational patterns, **7:11**

Federal preemption

- See Preemption (this index)

Fees

- Air pollution, **10:32**
- Disclosure legislation, **19:18**
- Economic incentives, **21:18 to 21:21**
- Hazardous waste site cleanup, **9:10**

Fiduciaries

- Hazardous waste site cleanup, **9:14**

Fifth Amendment

- Due process, **5:16.50, 5:17.50**
- Endangered species protection, **17:24**
- Self-incrimination, **5:33**

Finality

- Challenging regulatory agency actions, **14:25, 14:26**

Finances and funds

- Enforcement, financial incapability, **16:46**
- Hazardous waste site cleanup, financial incentives, **9:61**
- Oil spill legislation, **18:11, 18:22, 18:23, 18:25**

Findings

- Substantive decisions and reasoning of agency, review of, **15:60 to 15:63**

Fines and penalties

- See Penalties (this index)

Florida

- Endangered species protection, **17:29**
- Newsprint disposal fees, **21:21**

Government officials and employees

- Challenging regulatory agency actions, **14:10**
- Disclosure legislation, **19:27**

Grants

- Hazardous waste site cleanup, **9:45**

Greenhouse gas (ghg)

- Generally, **22:1 to 22:16**
- Agencies and public utilities, **22:15**
- California Global Warming Solutions Act of 2006, **22:6**
- Cap and trade, Regional Greenhouse Gas Initiative (RGGI), **22:3**
- Clean energy initiatives, **22:10**
- Common law litigation, **22:16**
- Constitutional litigation, **22:16**
- Emissions performance standards, **22:9**
- Environmental impact analysis, litigation, **22:14**
- Litigation
 - generally, **22:13 to 22:15**
 - common law, **22:16**
 - constitutional, **22:16**
 - Environmental impact analysis, **22:14**
 - Nuisance, **22:13**
 - Public utilities and other agencies, **22:15**
- Local government actions, **22:7**
- Midwestern Greenhouse Gas Reduction Accord, **22:5**
- New Jersey Global Warming Response Act, **22:7**
- Nuisance, litigation, **22:13**
- Public utilities and other agencies, **22:15**
- Regional Greenhouse Gas Initiative (RGGI), **22:2, 22:3**
- Regional initiatives
 - generally, **22:2 to 22:5**
 - cap and trade, Regional Greenhouse Gas Initiative (RGGI), **22:3**
 - Midwestern Greenhouse Gas Reduction Accord, **22:5**
 - Regional Greenhouse Gas Initiative (RGGI), **22:2, 22:3**
 - Western Climate Initiative, **22:4**

Greenhouse gas (ghg)—Cont'd

- State and local initiatives
 - generally, **22:6 to 22:12**
 - California Global Warming Solutions Act of 2006, **22:6**
 - Clean energy initiatives, **22:10**
 - Climate superfund laws, **22:10.50**
 - Emissions performance standards, **22:9**
 - Local government actions, **22:7**
 - New Jersey Global Warming Response Act, **22:7**
 - State commissions, **22:8**
 - Transportation related actions, **22:11**
- State commissions, **22:8**
- Transportation related actions, **22:11**
- Western Climate Initiative, **22:4**

Groundwater protection systems

- Generally, **20:1 to 20:40**
- Agricultural operations, contamination from, **20:37**
- Classification of groundwater, **20:11 to 20:13**
- Colorado quality standards, **20:20**
- Contamination, generally, **20:6, 20:7**
- Controls on specific sources of contamination, generally, **20:35 to 20:39**
- Criteria and classes of groundwater, **20:12**
- Definitions, **20:4**
- El Paso groundwater protection strategy, **20:34**
- Enforcement, **20:40**
- Examples
 - Classification systems, **20:13**
 - Groundwater quality standards, **20:19 to 20:23**
- Federal legislation, **20:8, 20:9, 20:24**
- Hidden resources and hidden problems, **20:1**
- Hydrology, generally, **20:3 to 20:7**
- Illinois wellhead protection program, **20:31**
- Implementation and enforcement, **20:40**
- Injection wells, controls on, **20:36**
- Local governments, protections adopted by, **20:29**
- Massachusetts quality standards, **20:21**
- Minnesota
 - Groundwater Protection Act, **20:27**
 - Numeric standards, **20:17**
- Narrative standards, **20:18**
- Nebraska
 - Groundwater Management Protection Act, **20:28**
 - Quality standards, **20:22**
- New Hampshire wellhead protection program, **20:32**
- New Jersey quality standards, **20:23**
- New York, sole source of aquifer protection in, **20:26**
- Numeric quality standards, **20:15 to 20:17**

Groundwater protection systems—Cont'd

- Overview, **20:1, 20:2**
- Patterns of contamination, **20:7**
- PFAS, **20:39**
- Policies of states, generally, **20:10**
- Quality standards
 - Generally, **20:14 to 20:23**
 - Colorado, **20:20**
 - Examples of groundwater standards, **20:19 to 20:23**
 - Massachusetts, **20:21**
 - Minnesota numeric standards, **20:17**
 - Narrative standards, **20:18**
 - Nebraska, **20:22**
 - New Jersey, **20:23**
 - Numeric standards, **20:15 to 20:17**
 - Standard settings, **20:14**
 - Wisconsin numeric standards, **20:16**
- Sensitive area designations, **20:25 to 20:29**
- Sources and types of contaminants, **20:6**
- Special area protection programs, generally, **20:24 to 20:34**
- Standard setting for groundwater quality standards, **20:14**
- State regulatory efforts, generally, **20:2**
- Storage and storage tanks, **20:5, 20:38**
- Underground wells or tanks, **20:36, 20:38**
- Wellhead protection programs, **20:30 to 20:34**
- Wisconsin numeric standards, **20:16**

Oil spill legislation

Generally, **18:1 to 18:27**

Oil spill legislation—Cont'd

- Administration of prevention and cleanup efforts, **18:15**
- Aftermath of 1989-1990 oil spills, **18:1**
- Civil penalty provisions, **18:5**
- Comprehensive state legislation in general, **18:7**
- Contingency plans of state, **18:9, 18:18**
- Defenses, **18:24**
- Developments in oil spill legislation, generally, **18:14 to 18:26**
- Disbursements, **18:25**
- Emergency powers, **18:16**
- Enforcement, **18:26**
- Evidence of financial responsibility, **18:22**
- Facility plans, **18:19**
- Federal responses to 1989-90 oil spills, generally, **18:2**
- Financial responsibility, **18:22, 18:23**
- Funds and funding, **18:11, 18:22, 18:23, 18:25**
- Future developments, **18:27**
- Increased funding requirements, **18:23**
- Institutional improvements, **18:15 to 18:17**
- Liability, **18:4, 18:24**
- Licensing, **18:21**
- Notification requirements, **18:8**
- Ongoing operations and facilities, regulation of, **18:13**
- On-scene coordination, **18:16**
- Operational limits, **18:20**
- Organization of chapter, **18:3**
- Oversight functions, **18:17**
- Overview, **18:1 to 18:3**
- Patterns of response, **18:10**
- Permits, **18:21**
- Planning reforms, **18:18, 18:19**
- Regulatory framework, generally, **18:4 to 18:6**
- Response and recovery actions, generally, **18:7 to 18:12**
- State responses to 1989-90 oil spills, generally, **18:2**
- Technological requirements, **18:20**
- Third party claims against fund, **18:12**
- Vessel plans, **18:19**
- Water pollution regulation, generally, **18:6**

Preemption

- Generally, **5:4 to 5:13**

Preemption—Cont’d

- Balancing rule, **5:15**
- Basic principles of federal preemption, **5:5**
- Conflict in implementation, implied preemption by, **5:8**
- Congressional intent, implied preemption by, **5:7**
- Dormant commerce clause application, preemption by, **5:9 to 5:13**
- Express preemption by statutory declaration, **5:6**
- Express state law preemption, statute, **5:10**
- Federal preemption of state powers
 - Generally, **5:4 to 5:13**
 - Balancing rule, **5:15**
 - Basic principles of federal preemption, **5:5**
 - Conflict in implementation, implied preemption by, **5:8**
 - discrimination, **5:14**
 - dormant commerce clause, **5:13**
 - Dormant commerce clause application, preemption by, **5:9 to 5:13**
 - Express preemption by statutory declaration, **5:6**
 - Implied preemption, **5:7, 5:8**
 - Inferred Congressional intent, implied preemption by, **5:7**
 - Tenth amendment limits on federal power, **5:15.50**
- Hazardous waste site cleanup, preemption of citizen suits by agency action, **9:36**
- Implied preemption, **5:7, 5:8**
- Implied state law preemption, **5:11, 5:12**
- Nuisance, preemption of state common law, **3:15**
- State over local environmental regulation, **5:9**
- Statutory declaration, express preemption by, **5:6**
- Tenth amendment limits on federal power, **5:15.50**
