Am Jur Proof of Facts General Index

Enclosed is the 2025 Edition General Index to American Jurisprudence Proof of Facts. This enclosure replaces the 2024 Edition and the March, 2025 update. The five-volume Proof of Facts General Index treats all of the volumes in the POF “first series” and POF2d series and Volumes 1-216 of the POF3d series. The new index, created by the publisher’s staff of attorney-editors, provides you with one place to look for all of the POF articles and proofs on your point.

Index entries on any point have been gathered in one place. Thousands of topics and groups have been created in order to place entries under a variety of terms descriptive of specific things, acts, persons, and places. The descriptive word approach embraces both legal and factual terms and concepts.

Included at the beginning of the first volume is the QUICK ACCESS GUIDE, consisting of (1) a LIST OF ARTICLES BY TOPIC, (2) a LIST OF ARTICLES BY VOLUME, (3) a LIST OF DRAWINGS AND DIAGRAMS, and (4) a SUPERSESSION TABLE. This General Index will be kept current by the periodic issuance of an update pamphlet or by a complete replacement.
