2025 Revised Volume 3 Part 1

Enclosed is the 2025 Revised Volume of Matthews Municipal Ordinances. This enclosure replaces the prior update of Volume 3 Part 1. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

Matthews Municipal Ordinances is a practical guide to drafting ordinances that are both legally correct and understandable to the courts, municipal officials, and the general public. It is the most complete set of municipal ordinances available. With this treatise you can: draft accurate ordinances with careful analysis of the principles involved; prepare model forms that are adaptable to almost every type of current ordinance; and research using citations to well-known authorities.
