

New Product Format – Please read carefully

Dear Subscriber,

Last year, we issued the following publications in pamphlet format:

*Ohio Building Code and Related Codes Volume 2*  
*Ohio Building Code: Fire Code*

Since that shipment, a small number of updates have been issued that affect the Fire Code and Revised Code provisions. We have included a sticky-backed supplement for you to insert inside the back cover of your affected pamphlet. The updated sections included in the supplement supersede the versions inside the pamphlet.

For any questions about this or other products, contact Customer Service at 1-800-328-4880. Thank you for your business.

Sincerely,

**Thomson Reuters**
