

## 2018-2019 Highlights

### ATTORNEY MALPRACTICE: LAW AND PROCEDURE

We enclose your **2018-2019 Cumulative Supplement Pamphlet to Attorney Malpractice: Law and Procedure**. This supplement discusses scores of recent cases decided by state and federal courts across the country on this topic which has even greater importance during uncertain economic times when the number of malpractice claims inevitably rise.

Your 2018-2019 update covers cases from 30 jurisdictions through July 29, 2018 discussing all aspects of attorney malpractice, including:

Attorney-client relationship

Standard of care

"Case within a case"

Causation

Conflict of interest

Damages

Defenses

Discovery

Experts

Fiduciary duty

Liability to third parties

Professional duty and breach

Statutes of limitation, and

Theories of liability.

And these fact situations leading to recent malpractice claims, including:

Bankruptcy

Corporate law

Criminal proceedings

Domestic relations

Estate planning

Ethical violations

Real estate transactions

Settlement negotiations, and

Trusts.
