Federal Jury Practice and Instructions, Volume 3

Seventh Edition

by Kevin E. O'Malley, Jay E. Grenig, Nadine J. Wichern

The Seventh Edition of *Federal Jury Practice and Instructions*, Volume 3, Civil, is enclosed. The goal of this publication is to provide clear, precise, balanced and brief directions to a jury. These instructions should direct the jury to the resolution of the issue or issues submitted to it for decision.

The instructions provided are pattern or model instructions. In addition to conforming the language of all jury instructions to the indictment or complaint, the trial evidence, and other particular issues of the case, the judges and lawyers who use these volumes are encouraged to adapt and tailor the pattern instructions to the fullest extent possible to the case being submitted to the jury.
