

# Introduction to the 2025-2026 Edition

The 2025-2026 Edition of *Handling Motor Vehicle Accident Cases* is the definitive legal resource devoted to cases involving motor vehicle accidents. This year's update includes a new and revised Chapter 3, Time Limitations, and new case notes throughout.

Topics receiving significant changes in this update include:

- § 1:1.20 Negligence—Rear-end collision
- § 1:4 Duty to pedestrians
- § 2:13 Imputed negligence—Employers
- § 4:9 Punitive damages
- § 6:6 Documentation of all claims—Future medical bills
- § 10:25 Use of expert witnesses
- § 17:11 Preemption in trucking litigation—Miscellaneous issues
- *And much more!*

This release is also updated with new Table of Contents, Table of Laws and Rules, Table of Cases, and Index to reflect these enhancements.
