Revised Volumes 12, 13 & 15

Blashfield Automobile Law & Practice, 4th

We enclose your new and revised Volume 12, Trial Evidence, Volume 13, Civil Procedure, and Volume 15, Damages—Subrogation—Products Liability—Deceptive Trade Practices, a set of topics that are of the utmost importance to motor vehicle collision practitioners and will assist you with preparing your case and preparing for trial. You will receive your new 2025-2026 General Index for *Blashfield Automobile Law and Practice*, 4th Edition, later in the year with your pocket part supplements. For ease of handling, please note the materials in this shipment may ship in more than one box.

These new *Blashfield* Volumes 12, 13 and 15 are part of the ongoing revision of the entire *Blashfield* set and the effort to preserve the foundations of this classic legal reference. We are confident you'll find the new information in these revised volumes useful, practical, and ready with answers to your legal questions concerning automobile accidents and related issues.

Shelving Instructions

REMOVE and RECYCLE existing hardbound *Blashfield* Volumes 12, 13 and 15 together with their 2024-2025 pocket part supplements.

PLACE the new, revised hardbound *Blashfield* volumes 12, 13 and 15 in their respective spaces on your shelf.

Highlights

Revised Volume 12 provides coverage of the following topics related to trial evidence:

- demonstrative evidence and judicial notice in vehicle litigation;
- sufficiency of evidence in vehicle litigation—including sufficiency of evidence of negligence in operation and condition, of comparative and contributory negligence, of proximate cause,

regarding occupants of vehicle, regarding persons liable, and regarding personal injury damages; and

- sufficiency of evidence in vehicle insurance litigation.

Revised Volume 13 provides current, contemporary treatment of these topics related to civil procedure in vehicle litigation cases:

- jurisdiction; venue; service of process; causes of action; defenses; choice of law; parties; pleadings; disclosure and discovery; summary judgment; trial procedure; and jury charges.

Revised Volume 15 provides updated discussion on the following topics:

- vehicular and personal injury damages;
- subrogation;
- various liability for product defects—negligence, warranty, strict liability;
- actions to enforce liability for product defects; and
- deceptive trade practices.
