

Index

Using This Index

References are to section numbers. Some material indexed appears in footnotes. This index is not a concordance in which each instance of a word is listed. Instead, this index is mainly to legal topics, principles and rules. Indexing to factual situations, types of harm, types and status of actors and victims is selective, not all-inclusive.

Abnormally Dangerous Activities

See Strict Liability

Abortion

consent

illegal abortion, **116**

minors', **109**

interference with opportunity to
terminate pregnancy, **369**

protestors

necessity defense inapplicable, **117**

INDEX

Animals—Cont'd

- res ipsa loquitur, 172
- harm to without reduction in value, negligence, 390
- intentional injury to, emotional distress claim for, 386, 481
- killing in defense of property, 86
- landlord's liability for tenant's, 423
- livestock, 438
- trespassing animals, 438
- wild, strict liability of keepers, 440

Antitrust

- civil litigation as protected activity, 592
- coercive conduct and, 633
- overlapping torts, 617

Apportionment of Responsibility

- See also Comparative Fault or Responsibility; Contribution; Indemnity; Joint and Several Liability
- Generally*, 487, 488
- avoidable consequences as causal apportionment, 229-231
- causal apportionment, 188, 192-197, 471, 487
- comparative fault apportionment
 - contribution in joint and several liability, 490
 - multiple parties, joint and several liability, 487
 - plaintiff and defendant, calculations generally, 221, 222
 - several liability systems, in, 493
- contribution
 - generally, 488, 489
 - common liability rule, 489
 - measures of contribution, 490
- crashworthiness cases, comparative fault, 192, 471
- credits to nonsettling tortfeasor, 491
- distinct or divisible injuries, 487
- equitable indemnity as contribution, 489
- factors in, 497
- fault apportionment, 487
- harm to one already endangered, 195

Apportionment of Responsibility—Cont'd

- immune and nonparty tortfeasors, several liability systems, 495
- indemnity, 489
- indivisible injury
 - automobile collisions, 192
 - joint and several liability, predicate for predicate for, 487, 488
 - requiring fault apportionment, 192
- intentional tortfeasors
 - apportionment or not, 487, 496
 - contribution in favor of, 489
 - indemnity against in several liability system, 497
 - risking or facilitating harm by, 498
 - share of fault apportioned to, 497
- interference with contract, 644
- joint and several liability systems, 487, 488
- market share liability apportionment, 194
- nonsettling tortfeasor
 - joint and several liability system, 491
 - several liability systems, 495
- preexisting disability, 174
- pro rata and pro tanto vs. comparative fault credit, 490, 491
- several liability systems, 492, 493
- standards for, 497
- workers' compensation
 - employer and tortfeasor, 506
 - multiple employers, 505

Architects and Engineers

- accepted work doctrine, 213
- immunity, emergency inspections, 361
- litigation support provided by, 653
- negligently causing economic harm, 614, 651, 686
- standard of care, 565
- statutes of repose favoring, 244

Armed Services and Military Torts

- See also Public Entities

**Armed Services and Military Torts
—Cont'd**

 - arresting officer, retreat not required, **81**
 - civil rights, **355**
- investigative stop, **77**
- private persons, by, **94**
- privilege to generally
 - exceeding privilege, **33, 80, 93**
 - merchant's privilege to detain, **92**
 - reasonable force in, **78**
 - trumping occupier's privilege to bar intruders, **86**
 - trumping self-defense privilege, **83**
- probable cause
 - burden of proof, **78, 97**
 - rules of, **95, 96**
- reasonable force in, **78, 80**
- seizure under the Fourth Amendment, **77**
- self defense against, **83**
- unlawful, self-defense right against, **83**
- unreasonable force
 - generally, **80**
 - burden of proof as to, **97**
- warrant, under, **93**
- without a warrant, **94**

Arson

- See also Fire; Professional Risk-Takers
- fire code, landlord's noncompliance risks, **417**
- foreseeability of arson or fire, **209**
- scope of risk under labeling statute, **152**

Asbestos

- abnormal danger strict liability rejected, **443**
- economic costs of cleanup recoverable, **449**
- emotional harm from exposure, **183, 382**
- enterprise liability in mass tort claims, arguments, **11**
- market share theory rejected for, **194**
- products liability
 - bystander recovery, **476**
 - economic loss rule not applied, **449**

Assault

- Generally*, **38-40**
- civil rights claim for, **75**
- crime and, **40**
- damages, **47**
- defense of property, threat of deadly force, **86**
- emotional distress and, **48**
- federal governmental immunity, **341**
- prisoner claim for under Eighth Amendment, **79**
- state or local public entities' immunity, **347**
- self defense, assault used in self defense, **80**

Assumption of the Risk

- See also Comparative Fault, Consent, Contractual Limitations on Liability
- Generally*, **232-240**
- abnormally dangerous activities, **446**
- abolishing doctrine of, **237**
- agreement to assume
 - generally, **232**
 - limitations on, **233, 234**

INDEX

Assumption of the Risk—Cont'd

- bar to recovery; traditional rule, **235**
- carriers, contractual limitations on liability, **69, 260**
- children
 - by, **235**
 - parents assuming risk for child by release in advance, **234**
- comparative fault and
 - generally, **235**
 - merging with assumption of the risk, **237**
- consent and
 - generally, **235**
 - relieving defendant of a duty in comparative fault regime, **237**
- custom, reliance on negating, **180**

INDEX

Emotional Harm—Cont'd

- economic torts, distress damages
 - sometimes excluded, **382**
- elements of intentional infliction claim, **385**
- family members causing, **359**
- false imprisonment and, **44**
- false information causing, **395**
- fear
 - future harm, **394**
 - zone of danger, fear for self or others, **391**
- fiduciary breach, **395**
- free speech, **387**
- fright or shock negligently caused, **393**
- injurious falsehood, **659**
- impact rule, negligence cases, **393**
- innkeepers, **48, 383**
- intentional infliction of, generally, **48, 385-389**
- interference with contract, **644**
- jailer, sexual conduct with prisoner, **386**
- legal malpractice cases, **729, 732**
- misdiagnosis causing, **395**
- misrepresentation, **387, 395, 663, 667, 689**
- negligent infliction of, generally, **390-397**
- normally constituted plaintiff requirement, **390**
- nuisance causing fear, **402**
- offsetting emotional satisfaction
 - against financial loss, **371**
- outrage and its characteristics,
 - intentional infliction, **386**
- overlapping claims, generally, **384, 617**
- parasitic damages, **382**
- physical manifestation or symptoms, **393**
- psychotherapists and counselors, **396**
- prima facie tort, rule for emotional harm prevail, **643**
- privacy invasions and, **384, 580**
- products injury, emotional harm to bystander, **476**
- proximate cause, **397**

Emotional Harm—Cont'd

- racial slurs inflicting, **387**
- religious freedom, intentional infliction, **387**
- risks to another causing plaintiff's emotional harm, **391**
- self defense against, **384**
- sensitive plaintiffs, **397**
- severe of harm requirement,
 - intentional infliction, **388**
- sexual harassment inflicting, **113, 387**
- stand-alone distress claims, nature of, **381, 383**
- strict products liability claims for, **476**
- sudden event, role of questioned, **383**
- symptoms or physical manifestation, **393**
- telegraphic messages, **383**
- thin skull rule, **397**
- third persons
 - risk or harm to, **391**
 - third person as target or victim,
 - intentional infliction, **389**
- toxic exposures, **394**
- transferred intent, intentional infliction, **389**
- trespass to chattels, **60**
- trespassory torts and, **47**
- undertakings as a basis for liability, **396**
- words inflicting, **387**
- wrongful birth, life, or pregnancy, **369**
- wrongful death, **375**
- wrongful discharge, **703, 706**
- wrongful litigation
 - emotional harm recovered, **661**
 - rules circumvented by claim of stand-alone emotional harm, **393**
- wrongful pregnancy, offset for emotional satisfaction, **371**
- video of plaintiff's sexual act published, **395**
- zone of danger rule
 - imported to
 - duty undertaken cases, **396**
 - exposure cases, **394**

Emotional Harm—Cont'd

- zone of danger rule—Cont'd
 - imported to—Cont'd
 - information cases, **395**
 - injury to others, **391**

Employers and Employment

- workers' compensation plans as, **503**

Environmental Harm

- environmental harm with economic loss to plaintiff, **647**
- environmental justice issue, **398, 401**
- federal environmental protection, **26, 123, 467**
- joint and several liability retained for environmental torts, **493**
- negligence causing, private injury resulting, **647**
- private nuisance action generally, **399-402**
- public nuisance, **403**

Equal Protection of Law

- See also Civil Rights and Civil Rights Torts; Discrimination; Due Process of Law
- damages caps, constitutionality, **486**
- damages, race based tables for life expectancy, **479**
- domestic violence cases, **76, 355**
- duty to protect in absence of custody, **419**
- negligence insufficient to show denial of, **76, 355**
- prosecution without probable cause, **599**

INDEX

Equal Protection of Law—Cont'd

- sexual harassment claimed as a denial of, **419**
- statute of limitations, selective application of tolling rules, **246**
- statutes of repose, constitutionality, **244**
- wrongful death
 - excluding illegitimate children or parents, **376**
 - unequal application of collateral source rule, **376**

Equitable Indemnity

- See Contribution among Tortfeasors; Indemnity

ERISA

- preemption of certain medical claims, **318**

Estoppel

- apparent authority or estoppel, vicarious liability, **433**
- collateral estoppel, **166, 167**
- consent, irrevocable by estoppel, **108**
- legal malpractice, **723**
- promissory estoppel, creating duty to act, **411**
- statute of limitations, **246, 696**

Evidence

- See also Res Ipsa Loquitur
- admissibly, judge's determination of, **164**
- admission of party to establish a fact, **166**
- but-for causation, **191**
- circumstantial and collateral evidence
 - generally, **165**
 - expert testimony and, **166**
 - inferences, **164, 166**
 - judge's role in monitoring, **166**
 - res ipsa loquitur, **169**
- conjecture or speculation, **165**
- criminal conviction, **167**
- custom, evidence of feasibility of safety, foreseeability, **179, 457**
- destruction of evidence
 - permitting inference that evidence was adverse, **166**

Evidence—Cont'd

- destruction of evidence—Cont'd
 - tort claims for, **714-717**
- expert
 - circumstantial evidence, explaining, **166**
 - defamation, meaning of words, interpretation, **526**
 - medical malpractice, required to be established by, **302, 303**
 - predicate for res ipsa loquitur, **305**
 - qualification to testify, judge determination, **164**
 - risks and ultimate issue, testifying to, **177**
 - testimony, facts, data and methods to be reliable, judge determination, **463**
- evaluation of facts distinguished, **177**
- guilty plea in criminal case, **166, 167**
- inferences
 - alternative, res ipsa loquitur distinguished, **169**
 - chains of inferences, **166**
 - factual causation, **184, 302**
 - judge's role in controlling jury inferences, **164**
 - res ipsa loquitur permitting, **170**
- police reports, **166**
- presumptions, **167**
- spoliation, **174, 714-717**
- subsequent remedial measures, **179, 459**
- sufficiency, judge's role in determining, **164**
- testimony as to risks, **177**
- voluntary safety codes, **166**

Excuse and Justification

- See also Arrest; Defense of Property; Privilege; Self Defense
- excuse and justification distinguished, **24**

Expanded Duties

- See also Common Carriers and Public Utilities, Fiduciaries, Innkeepers
- Generally*, **258-259**

Explosives

- common carriers, immunity from strict liability or not, **352**
- nondelegable duty as to, **432**
- strict liability, **352, 443**
- storage, nuisance, **402**
- trespass to land caused by, **442**

Extended Liability

- See Transferred Intent

Factual Causation

- See Also Apportionment of Responsibility; Joint and Several Liability; Damages
- Generally*, **183-197**
- alternative causation, **193**
- apportionment to causes, **188, 192**
- burden of proof shifting, **193**
- but-for test
 - generally, **186**
 - aggregated conduct of all actors, **189**
 - hypothetical alternative must be considered, **187**
 - multiple tortfeasors, **188**
- but-for-type issue, **184**
- causal apportionment, **188, 192-197, 229-231, 471, 487**
- comparative causation argument, **470**
- comparative fault of plaintiff, **219**
- concert of action and, **193**
- crashworthiness, indivisible injury, **192**
- damages-caused issue, **184**
- duplicative causation, **189**
- element in negligence case generally, **183**
- evidence or inferences of causation, **191**
- harm subsequent to accident insufficient proof, **167**
- indivisible injury, **192**
- issues concerning, **184**
- joint and several liability, see Joint and Several Liability, this Index
- liberal inferences of, **191**
- lost chance of avoiding injury or death, **196**

Factual Causation—Cont'd

- market share liability substituted for, **194**
- multiple causes, **188, 189**
- negligent act or omission affecting cause in fact issue, **190**
- omission of safety precaution, inference of causation, **191**
- post hoc ergo propter hoc, **167**
- preemptive causation, **189**
- preexisting disability or condition causing harm to one already endangered, **195**
- increasing risk of harm, **196**
- indivisible injury, **192**
- preponderance of the evidence standard, **191**
- proportional causation, **196**
- proximate cause (scope of liability) distinguished, **185, 200**
- res ipsa loquitur and, **190**
- scientific connection issue, **184**
- substantial factor test of, **189**
- Summers v. Tice* rule, **193**
- terminology of, **185**

False Advertising

- Generally*, **661, 737**

False Arrest

- See False Imprisonment

False Imprisonment

- See also Arrest; Civil Rights
- Generally*, **41-44**
- awareness of confinement, **41**
- bond, failure to permit as, **43**
- civil rights claim for, **75**
- confinement, what counts, **42**
- consent defeating claim, **41**
- damages, **45, 47**
- defense of property, as means of, **80**
- duration of, **41**
- duty to release from confinement, **43**
- elements of, **41**
- emotional harm and, **44, 381**
- false arrest, form of, **41**
- federal governmental immunity, **341**
- Fourth Amendment civil rights claims, **77**

INDEX

False Imprisonment—Cont'd

- instigation of imprisonment by others, **41**
- malicious prosecution compared, **44**
- merchant's detention of suspected shoplifter, **92**
- other torts and, **44**
- probable cause for arrest without a warrant, **95**
- religious organizations, liability for, **42**
- self defense by confining attacker, **83**
- simple false imprisonment and extended liability, **41, 45**
- submission to legal authority, **42**
- transferred intent, **45**

Family

- See also Children; Consortium Loss; Prenatal Injury; Wrongful Birth, Life or Pregnancy

Federal Tort Claims Act

- See Public Entities

FELA (Federal Employers Liability Act)

- assumed risk defense abolished by, **146, 236**
- comparative fault adopted, **26, 146**
- damages, tax savings deduced, **482**
- cause of action for injured railroad workers created by, **26, 146, 372, 374**
- emotional distress claims
 - allowed, **382**
 - zone of danger rule adopted, **391**
- pure comparative negligence system under, **220**
- wrongful death, **372, 374**

Fellow Servant Rule

- assumed risk, **503**

Fetus

- See Prenatal Injury

Fiduciaries

- aiding or abetting breach by, **268, 699, 725**
- arm's length bargainers contrasted, **697**
- attorneys generally, **724, 725**
- breach of duty a tort, **699**
- burden of proof on fiduciary, **696**
- clergy
 - consent obtained by abuse of relationship, **113, 270**
 - sexual or child abuse, **268**
- collateral effects of fiduciary status, injury cases, **270**
- comparative fault defense by, **672, 726**
- confidential relationships, **697**
- conflict of interest, **696, 724, 731**
- consent to violation of duty, **698**
- constructive fraud by, **662, 678, 724, 731**
- contractual limitations on liability, **698**
- defining fiduciaries, **697**
- disclosure duty
 - generally, **269, 696**
 - bargaining or economic transactions, **682**

INDEX

Fiduciaries—Cont'd

- disclosure duty—Cont'd
 - duty to disclose his negligence, statute of limitations, **246, 696, 728**
 - duty to disclose status of treating physician, **301**
 - health organization, no duty to disclose perverse incentives, **318**
 - physician's informed consent duties, **309, 310**
- duties owed to beneficiary generally, **267, 696**
- employees as, duties as to trade secrets, **739**
- equitable and tort remedies, **699**
- franchisor-franchises, **697**
- inducing breach of duty, **631**
- interference with contract or opportunities by, **627**
- misrepresentation
 - negligent, **667**
 - nondisclosure or silence, **682**
 - opinion statements, **676**
- physical harm cases, **267-270**
- physicians, disclosure obligation, **269**
- punitive damages against, **270**
- sexual exploitation by
 - generally, **268**
 - consent obtained by abuse of power, **113**
- status as, persons included, **697**
- statute of limitations
 - attorney's fiduciary breach, malpractice statute governs, **724**
 - disclosure duty affecting, **269, 270, 696**
 - estoppel to plead, **696**
- therapists as, **113, 270**

Fire

- child's appreciation of danger, **277**
- children setting, standard of care or immunity, **30, 137**
- failure to protect from, immunity of municipality, **348**
- firefighters' privilege to enter land, **99**

Fire—Cont'd

- property damaged to prevent spread of, **108**
- proximate cause
 - intervening arson, **209**
 - spread of, **206**
- res ipsa loquitur, hospital fire harming patient, **171, 174, 305**
- strict liability rejected generally, **443**
- trespass to land, innocent fire caused, **58**

Firearms

- See Weapons

Firefighters and Firefighters' Rule

- limiting duty of care toward, see Professional Risk-Takers

Fireworks

- strict liability, **443**

First Amendment

- See Free Speech; Clergy and Church Liability

Flooding

- See Waters

Forcible Entry and Detainer

- rightful owner forcibly repossessing, tort liability for, **90**

Foreseeability

- defamation; constitutional rules, 552, 553
- emotional distress inflicted by words alone, 387
- interactive games, products liability, 478
- interference with contracts or opportunities, 630
- petitioning activity, 553, 592, 595
- press rights of, trespass not included, 106
- privacy, 579, 581, 582
- right in personality or publicity, 740
- SLAPP suits, 543, 553, 595
- social and political boycotts, 632
- trademark, satire or comment, 735, 736
- trespass on land in exercise of, 102

Games and Sports

See Assumed Risk; Interference with Contracts; Products Liability

Garnishment

- abuse of process, 594
- constitutional limitations on, 73
- wrongful civil litigation, 593

Gays and Lesbians

- anti-homosexual funeral demonstrations, religious freedom, 387
- consortium claims of unmarried cohabitants, 376, 392
- defamation imputation of homosexuality, 525
- privacy invasion by outing, 581, 703

Gender-Motivated Violence

- civil rights actions, 355
- equal protection, 76, 355
- guns sales to those convicted of, 414
- family immunities, 357, 358
- state and local entities failure to protect from, 345, 346, 355
- uninsured perpetrators, 27

Genetic Conditions

- counseling for in pregnancy, 310
- harm to others posed, physician's duty to warn of, 289
- lab failure to identify, 308
- misrepresentation of adoptive child's, 667

Global Tort Issues

See Comparative, International and Transnational Law

Good Samaritan Statutes

- bad Samaritan statutes, 405
- individual good deeds, immunity or not, 361
- immunity for all persons, 409
- medical emergencies generally, 312

Government Contractors

immunity of, 352

Government Entities

See Public Entities

Guardians

- basis for appointing, 109
- consent to treatment given or withheld by, 110
- immunity of guardian ad litem, 350, 727
- informed consent rights, guardian to be informed, 309
- standards for deciding on behalf of incapacitated person, 110
- statute of limitations, guardian's discovery of claim starts the clock, 247

Guest Statutes

- driver's limited duty to non-paying guest, 140

Medical Malpractice—Cont'd

- res ipsa loquitur
 - generally, **305**
 - multiple defendants, **306**
- residents, **301**
- risk-utility weighing in, **294**
- school of medicine, witness from, **303**
- school of practice, standards, **299**
- schools of thought, more than one, **296**
- sexual misconduct as, tort reform statutes, **313**
- shifting responsibility
 - nurse shifting responsibility to physician, **301**
 - referral to another physician, **285**
- specialists, standard, **298**
- standard of care
 - alternative medicine, **296, 298**
 - chiropractors and other non-medical providers, **296, 298, 299**
 - custom or peer standards, **292**
 - expert testimony required to show, **303**
 - geographical community, **297, 303**
 - Good Samaritan statutes limiting, **312**
 - Helling case, **294**
 - jury instructions, traditional medical standard, **304**
 - multiple medical standards, **296**
 - nurses, **301**
 - practice guidelines stated in advance, **295**
 - physician assistants, **301**
 - reasonable care standard
 - adoption of for medical cases, **294**
 - distinguished from traditional standard, **293**
 - referral
 - provider's religious belief a factor or not, **300**
 - required when, **299**
 - residents, **301**
 - specialists, national standard, **299**
 - specific practice as standard, **292**

Medical Malpractice—Cont'd

- standard of care—Cont'd
 - traditional standard, **292**
- state or national standard, **283**
- statute of limitations
 - continuing treatment, **245**
 - repose statutes, **244**
- statutes limiting liability, **313**
- summary, **283**
- therapists, see Sexual Torts; Therapists, this Index
- tort reform statutes limiting liability, **313**
- undertaking by physician
 - creating duty or care, **285**
 - limiting duty, **315**
- Ybarra v. Spangard case, **306**

Medical Monitoring

- damages or injunction setting up, **479**

Memory

- false memory implanted, **604**
- reasonable memory required, **132**
- repressed memory, statute of limitations and, **247**
- risk-utility assessment in forgetfulness cases, **411**

Mental Disability or Legal Incapacity

- See also Disability
- capacity or incapacity, children or mentally disabled, **30**
- children, legal capacity generally, **30**
- civil commitment proceedings
 - wrongfully brought, **593**
- civil law, **131**
- consent affected by, **109**
- comparative fault of mentally impaired, **130, 219**
- incapacity, negligence of one acting under, **130, 131**
- intoxicated persons, **133**
- liability of persons suffering, **130**
- proceedings to determine, wrongful civil litigation, **593**
- sale of goods by one lacking capacity, conversion or avoidance, **109**

INDEX

Mental Disability or Legal Incapacity —Cont'd

- standard of care of mentally impaired, **130, 131**
- statute of limitations, tolling or grace periods for, **246, 247**
- tests of, **109**
- undue influence
 - disgorgement of gains obtained by, **329**
 - improper interference with contract by, **629**

Mental Anguish or Distress

- See Emotional Harm

Merchants' Privilege

- detention of suspected shoplifter, **92**

Mesne Profits

- ejectment, damages claim in, **51**

Military Torts

- See Armed Services and Military Torts; see also Public Entities

Mining

- sub-surface trespass liability, **55**
- trespass to land, restitution, **50**

Minors

- See Children; Family

Misappropriation Doctrine

- copying uncopyrighted materials, **734**

Misrepresentation

- adoption, in, **663**
- attorney, to non-client, **725**
- auditors' duties to non-clients, **681**
- buyer's nondisclosure of material information, **682**
- circumstantial evidence of fraud, **665**
- clear and convincing evidence standard, **664**
- comparative fault and justified reliance, **672**
- concealment, as misrepresentation, **682**
- conscious ignorance of facts, **665**
- consent negated by fraud, **663**
- constructive fraud, **662**

Misrepresentation—Cont'd

- contract or promise distinguished, **662, 678**
- contractual limitations on liability
 - generally, **683**
 - innocent misrepresentation, **670**
- damages
 - consequential, **689**
 - emotional harm, **663, 689**
 - innocent misrepresentation, **692**
 - intentional misrepresentation, **690**
 - market based measures, **688**
 - negligent misrepresentation, **691**
 - proximate or loss causation, **693**
 - punitive, **689**
 - realized vs. unrealized loss, **694**
 - rescission-equivalent, **692**
- defamation and injurious falsehood
 - distinguished, **656, 663**
- Derry v. Peek, **665**
- describing fact vs. labeling a tort, **663**
- disclaimers, see *exculpatory clauses*, this topic
- disclosure required when, **682**
- disgorgement of defendant's profits, **687**
- duty
 - to correct misstatement, **665**
 - to disclose, **682**
 - to use reasonable care in making, **667**
 - to third persons, **680, 681**
- economic loss rules, **651, 667, 668, 686, 688**
- economic tort, as, **663**
- election of remedies, **693**
- elements
 - intentional or scienter misrepresentation, **664**
 - negligent misrepresentation, duty, **667**
- emotional harm, **663, 689**
- exculpatory clauses, **683-686**
- failure to read document, **674**
- factual misrepresentation
 - implied, **677**
 - required, **662, 664, 676**
- federal governmental immunity, **341**

Misrepresentation—Cont'd

- fiduciaries' duties of care, 667
- fraud on the market, 671
- half-truth, 682
- implied misrepresentation of fact, 677
- innocent, 668-670
- intent required, 665
- justifiable reliance requirement and comparative fault
 - generally, 672
 - failure to read documents, 674
 - immaterial representations, reliance on, 675
 - investigation by the plaintiff, 673
- law, statements of, 676, 677
- loss causation, 693
- materiality requirement, 675
- merger or exculpatory clauses, 683-686
- negligence; relevance to scienter fraud, 665
- negligent representations
 - duty of care, when owed, 667
 - economic loss rule and, 651, 667
 - liability for generally, 666
 - third persons, duty to care to, 681
- nondisclosure, 682
- nonparty, representation to, 679
- opinion statements
 - generally, 676
 - implying facts by, 677
- other torts and, 663
- parol evidence rule barring fraud claims, 683
- personal injury or dignitary harm resulting, 663
- prediction statements, 678
- present intent statements, 678
- privity not required, 679
- promises and statement about the future, 678
- proximate cause or loss causation, 693
- public entities, excluding liability for, 341
- puffing, 677
- realized vs. unrealized loss, 694

Misrepresentation—Cont'd

- reckless; defined, 665
- reformation, 687
- reliance required, 671
- remedies
 - generally, 687
 - damages
 - consequential and punitive, 689
 - market-based, 688
- reformation, 687
- rescission and rescission-equivalent damages
 - innocent misrepresentation, for, 670, 692
 - delay and, 693
- scienter required, 665
- scope of topic, 662, 663
- single or transferred loss, 681
- statute of limitations
 - fraudulent concealment and, 246
 - misrepresentation tolling, 668
- strict liability
 - innocent misrepresentation, 668-670
 - rescission cases, 670, 692
 - warranty theory, 669
- third persons
 - duty to, 680, 681
 - reliance by, 679
 - representations by, 679
 - single loss cases, 681
- warranty and, 669

Mistake

- appearances controlling in self defense, 82
- collateral mistake insufficient, 111
- conversion, effects, 62, 64, 67
- defense to tort liability rejected, 24
- negating consent, type of, 111
- ignorance distinguished, 114
- recapture of chattels, in, 91
- self defense, in, 80, 82
- trespass to land, no defense, 50

Mitigation of Damages

See Avoidable Consequences

INDEX

Moral Rights of Artists

rights remaining after transfer of title,
741

Motive

See Bad Faith; Intent; Malice

Generally, 30

abuse of process, element in the case,
594

affecting common law privilege, 544

conversion cases, irrelevant in, 62

false imprisonment without privilege,
irrelevant, 41

hospital's screening duty independent
of, 317

intent distinguished, 30

interference with contract etc.

basis for finding, 624

criticizing motive based liability,
626

motive distinguished from
anticompetitive effects, 633

required or not, 618, 619, 623

sole and mixed motives, 625

malicious prosecution, required, 589

mixed motives, 589, 625

vicarious liability, affecting, 427

privacy, newsworthiness privilege
held dependent upon, 581

punitive damages, basis for, 483

Multiple Parties

See Apportionment; Factual Causation;
Comparative Fault or Responsibility;
Contribution; Indemnity; Joint and Several
Liability

Municipal Corporations

See Public Entities

National Childhood Vaccine Injury Act

taxing dangers to finance compensation,
tort alternative, 511

Necessity

private, partial privilege to use
another's land or chattels, 117

privilege of, defeating defense of
property privilege, 86

Necessity—Cont'd

public, privilege to affect property of
others, 118, 119

public, takings by public entities,
constitutional considerations,
119

third person injured in self defense,
as, 85

Negligence

Index

characteristics of the negligence case,
120

Negligence—Cont'd

- children
 - anticipating negligence of, **137, 277**
 - standard of care
 - adult standard, **137**
 - child standard generally, **134**
 - rationale, **135**
 - rule of sevens, **136**
 - violation of statute, effect, **134, 150, 156**
- circumstances considered in determining negligence, **141, 142**
- circumstantial evidence
 - inferences from, **166**
 - res ipsa loquitur, **169**
- common law background, **121**
- comparative or contributory negligence judged similarly, **219**
- conduct
 - intoxication cases, **133**
 - omissions as well as acts, **127**
 - specific physical act or omission required, **168**
 - state of mind distinguished, **126**
- cost-benefit assessment, see risk-utility assessment, this heading
- credibility of witnesses, **163**
- custom, see Custom, this Index
- damages as element of the claim for, **120, 124**
- defamation cases, in, **516, 519, 520, 551, 556**
- defense of property, relationship, **89**
- degrees of negligence or care, **138**
- defined, unreasonably risky conduct, **126**
- disabled persons, care owed by and to, **129, 225**
- duty; breach distinguished, **125**
- elements of the case, **120, 124, 125**
- emergency, **142**
- evaluating
 - evidence, **163**
 - proven conduct, **177**
- evidence, see Evidence, this Index

Negligence—Cont'd

- expert testimony, see Evidence, this Index
- extraordinary care
 - carriers and innkeepers, **260-262**
 - meaning generally, **141**
- factual cause of harm as element of the case, **125**
- fault, a species of, **122**
- federal preemption, see Preemption, this Index
- foreseeability of harm
 - reason to know vs. foreseeability, **139**
 - required to show negligence, **127, 159**
 - probability and risk, **159**
- forgetfulness and memory, see Memory, this Index
- gas or electricity, care required, **141**
- gross negligence, **140**
- history and development, **121, 122**
- incapacity, determining negligence of one acting under, **130, 131**
- inferences; presumptions and, see Evidence, this Index
- instructions, see Instructions to the Jury, this Index
- intent compared and distinguished, **31**
- intentional risk-taking as negligence, **29, 126**
- intentional torts and, **29, 126**
- internal rules of entity, **148, 179, 180, 181**
- intoxicated persons, **133**
- judges roles generally, **164**
- jury roles generally, **163**
- knowledge, memory and skill of the reasonable person, **132**
- licensing statutes, effect, **150**
- livestock on highways, **438**
- lookout, failure to see, **166**
- medical malpractice; see Medical Malpractice, this Index
- memory, see Memory, this Index
- mentally disabled persons
 - bases for rules governing, **131**
 - objective standard of care, **130**

INDEX

Negligence—Cont'd

- negligent entrustment, **422**
- negligent hiring, retention, or supervision, **113, 321, 332, 418, 423, 425, 431, 499**
- objective standard
 - generally, **127**
 - Holmes on, **123**
 - mental capacity, **130, 131**
 - subjective elements
 - generally, **128**
 - children' standard, **134**
- Occupational Health and Safety Act, **147**
- per se, see Negligence Per Se
- physical characteristics of the reasonable person, **129**
- Pied Piper cases, **277, 423**
- police chases causing harm, see Police, this Index
- preconception tort, **368**
- presumptions, see Evidence, this Index
- probability of harm expressed as foreseeability, **159**
- proximate cause, see Proximate Cause, this Index
- reasonable person, characteristics of, **129-133**
- reasonable person standard, see Standard of Care, this Index
- reasonableness evaluations; risks and utilities considered, **160-162**
- reckless, willful or wanton misconduct, **140**
- relationships of the parties and, **121**
- releasing dangerous person, **336, 345, 349**
- res ipsa loquitur; see Res Ipsa Loquitur, this Index
- risk, intentional risks as negligence, **126**
- risk-utility analysis, see Risk-Utility Analysis of Negligence, this Index
- risking intentional torts of others, **209, 498**
- risking negligent torts of others, **211**
- self defense and, **80, 83**

Negligence—Cont'd

- shifting responsibility, **213, 232, 362**
- slip-and-fall, res ipsa loquitur, **171**
- snow and ice removal, see Ice and Snow, this Index
- specific act or omission
 - activities vs., **120**
 - affecting cause in fact issue, **190**
 - required, **168**
- specific rules in lieu of standard of care
 - common law, **145**
 - statutory, **146**
- standard of care, see Standard of Care, this Index
- state of mind vs. conduct, **126**
- statute violation, see Negligence Per Se
- statutes, tort law effects of, see Statutes, this Index
- stop, look, listen rule, **145**
- strict liability reduced by law of, **122, 123**
- subjective elements in, **128, 130, 134, 140, 219, 224**
- subsequent remedial measures, **179, 459**
- sufficiency of evidence, question for judge, **164**
- third person injured in self defense as basis of liability, **85**
- toxic substances, care required, **141**
- trespassory torts and, **121**
- unavoidable accident, **142**
- unreasonable risk, as, **124, 159**
- weapons, see Weapons, this Index
- willful or wanton misconduct

Negligence Per Se

- Generally*, **146, 148**
- adoption theory of, **150, 151**
- alcohol sales in violation of statute, **158, 424**
- alternative to rule of, **149**
- cause of action distinguished, **146**
- children violating statute, **134, 156**
- class of person covered, **153**
- excused violation of statute, **156, 157**
- federal statutes and, **147, 151**

Negligence Per Se—Cont'd

interpreting statutory purposes, 155
 intoxicated driving, 133
 judicial adoption of non-controlling statute, 150, 151
 proximate cause, 152-154
 public duty doctrine and, 158
 rationale, 150
 rejecting class of harm and person rules, 151, 155
 scope of risk, 152-154
 statutory violations as, 146, 148
 strict liability vs. excused violation, 157

Negligent Entrustment

duty of care and liability for, 422
 proximate cause, 215

Negligent Hiring, Retention, or Supervision

dangerous clergy, 113, 268, 329, 331, 332
 employer's duty of care with respect to generally, 423
 nursing homes, 321
 school's liability for, 418
 vicarious liability distinguished, 425

Negligent Infliction of Emotional Distress (NIED)

See Emotional Harm

Negotiable Instruments and Money

conversion of, 63, 710
 holders in due course protected, 73

No-Fault Auto Insurance Plans

alternative to tort law, 509

Noise

abnormal sensitivity to barring claim of strict liability, 445
 causing accident, 160, 164
 nuisance, as, 51, 399, 401, 402, 402
 intentional infliction of emotional distress by, 386
 trespass to land, not actionable as, 51

Nominal Damages

abuse of process, 661
 battery, 47

Nominal Damages—Cont'd

conversion, 73
 defamation
 actual damages required Gertz-type cases, 574
 denied in certain libel-proof plaintiff cases, 575
 Due Process and First Amendment violations, 480
 injurious falsehood, denied in, actual harm required, 659
 interference with contract claims, denied or not, 644
 negligence claims, denied in, 120, 183, 479
 trespass to land, 49, 50, 56

Nonaction or Nonfeasance

See Acts and Omissions; Duty to Act

Nondelegable Duty

See Vicarious Liability

Notaries

negligence causing economic harm, 653

Nuisance

abatement, 404
 abnormal danger and, 442
 absolute nuisance, 398
 accommodation vs. rights, 399
 aircraft overflights, 54, 398
 anticipatory harm, 402
 balancing harm and utility, 400, 401
 coming to the nuisance, 402
 comparative fault, 400, 403
 damages, 404
 economic loss rule and public nuisance, 647
 elements of claim, 401
 fear of future harm, 402
 independent contractor creating, 432
 injunctions against
 generally, 404
 compensated injunction, 468
 intent, 400
 negligence, 400, 647
 negligent interference with economic opportunities by, 403

INDEX

Nuisance—Cont'd

- noise, see Noise, this Index
- non-invasive nuisances, **402**
- obstruction of public ways, **403**
- particulates, **399**
- per accidens and per se, **398**
- permanent, **57, 404**
- personal injury from public nuisance, **403**
- predecessors in title causing, **399**
- preemption or displacement by other laws, **403**
- private harm and private suit for public nuisance, **403**
- private generally, **403**
- public, generally, **403**
- reciprocity, **441**
- remedies generally, **404**
- right to farm laws, **398, 401**
- scope and related fields, **398**
- sensitive persons or uses, **399**
- social utility, **401**
- strict liability, **400**
- substantial and unreasonable interference required, **401**
- surface waters causing, **398**
- temporary, **404**
- trespass and, **399**
- type of harm, not type of conduct, **398**
- underground liquids, **399, 401, 404**
- vendor or prior owner, liability to purchaser for deposits, **50, 399**
- vicarious or strict responsibility for nuisance created by another, **400**
- waters
 - surface backed up, **398**
 - pollution of, **399, 647**
 - underground percolation of toxic liquids, **401**
- zoning, effect, **402, 402**

Nurses

- See also Hospitals; Medical Malpractice
- standard of care, **301**

Nursing Homes and Other

Residential Care Facilities

- common law causes of action against, **321**

Nursing Homes and Other

Residential Care Facilities

—Cont'd

- false imprisonment by, **41, 42**

Plaintiff Misconduct

See also Comparative Fault or Responsibility
plaintiff's own wrong, founding claim on, **88, 228**
wrongful possessor's suit against repossessing owner, **90**

Poisons

See also Hazardous Materials/Hazardous Wastes; Tobacco
battery by administering, **36**
comparative fault, small child eating paint chips, **224**
crop dusting, inherent danger, **432**
cyanide gas, rescue, **219**
fetal poisoning, mother's ingestion of prescription, **367**
food contamination
res ipsa loquitur, **172**
strict liability of seller, **452, 453, 456**
governmental control as discretionary, **336**

INDEX

Poisons—Cont'd

- insecticides, federal preemption, **474**
- labeling, **152, 465**
- lead, see Lead, this Index
- nondelegable duty, **432**
- nuisance, public, **403**
- remediation costs of city, **403**
- statute, class of harm protected against, **152**
- strict liability, **443**

Police

- See also Arrest; Civil Rights and Civil Rights Torts; Due Process of Law; Officers
- barred from recovery against negligent person, **368**
- civil rights liabilities, **76, 354**
- defamation of; officer as public official, **559**
- duty to enforce injunction against domestic violence, **423**
- duty voluntarily assumed, **410**
- emotional distress inflicted by, **386**
- failure to train, **76**
- high-speed chases
 - civil rights claims, **76**
- immunities
 - discretionary immunity, **336**
 - police and fire protection, **348**
- factors in determining negligence, **160**
- professional risk-takers, **364**
- proximate cause, intervening negligence, **211**
- strict liability for abnormal dangers, **444**
- statutory defenses, **143**
- third persons injured, just compensation, **119**
- immunities generally, **348**
- intoxicated driver, failure to arrest, **345**
- limiting duty of care toward, **365**
- malicious prosecution, liability for, **587**
- negligent injury to mugger, **94, 228**
- promise of protection or rescue, **346, 348, 410, 419**

Police—Cont'd

- property damaged by law enforcement activity, **119**
- rape by or murder, vicarious liability for, **321, 429**
- releasing from custody into danger, **215**

Policy

- economic analysis generally, **14**
- process values, **16**
- utility vs., generally, **10, 11**

Pollution

- See Hazardous Materials/Hazardous Wastes; Nuisance; Toxic Torts

Possession

- land, rights of protected, **52**
- trespass to chattels, basis of suit for, **60**

Preconception Negligence

- Generally*, **368**

Preemption

- See also particular topics such as Trademark and particular statutes such as ERISA.
- Generally*, **26, 147, 250**
- charitable immunity imposed by, **361**
- compliance with statute and, **250, 474**
- constitutional decisions displacing state law
 - defamation, **554**
 - punitive damages, **485**
- conversions actions
 - copyright statute preempting, **709**
 - trademark statutes preempting, **63, 739**
- copyright statute
 - generally, **741**
 - interference with contract, **617**
- defamation
 - credit reporting statutes, **536**
 - labor law partial preemption, **555**
- emotional harm, employment harassment, **387**
- ERISA, managed care organizations, **318**
- Fair Credit Reporting Act, **536**

Preemption—Cont'd

- government contractor defense and, **352**
- identity theft, partial preemption, **709**
- immigration statute, **650**
- nuclear regulation, partial preemption, **348**
- nuisance, railroad noise, **401**
- patent statute
 - general preemption, **738**
 - interference with contract, **617**
- products liability, **474**
- right of publicity, **740**
- trade secrets statutes, **631, 739**
- volunteers' immunities, **361**
- workers' compensation
 - anti-discrimination statutes and, **503**
 - exclusive remedy displacing tort law, **506**
- wrongful discharge, preemptive statutes, **706**

Premises Liability

- See Landowners or Occupiers

Prenatal Injury

- duty to fetus or unborn child, **366**
- parental responsibility for, **367**
- preconception conduct causing harm, **368**
- toxic injury, **367**
- wrongful life, birth, conception, **369-371**
- wrongful death of fetus or unborn child, **366**
- workers' compensation, exclusive remedy provision and, **506**

Preponderance of the Evidence

- See also Burden of Proof; Procedure
- loss of an unlikely chance, **196, 197**
- meaning, **22**

Presumptions

- See Evidence

Prima Facie Case

- affirmative defenses distinguished, **23**
- meaning, **22**

Prima Facie Tort

- claim of and limitations on, **643**

Principal and Agent

- See Agents; Employers and Employment; Independent Contractors; Vicarious Liability

Prisons and Prisoners

- civil rights claims, **79, 419**
- custodian's duty to protect prisoner, **418, 130, 214, 224**
- Eighth Amendment rights of prisoners, **79**
- negligent release of prisoner, **349**
- escape of prisoner, duty to protect from, **346, 349**
- medical attention required for, **79, 408**
- parole
 - discretionary immunity, **336, 349**
 - duty to supervise parolees, **423**
- release, duty to at end of term, **43**
- sexual conduct with custodian, **113, 386**
- suicide of one in custody, **130, 214, 224**

Privacy

- See also Fiduciaries; Publicity, Right Of; Trade Secrets
- Generally*, **578**
- appropriation of plaintiff's personality, **579, 740**
- biography, **579**
- civil rights claims for invasion of, **580, 582**
- confidential client information, lawyer's duties, **724**
- constitutional limitations on privacy right, **581**
- constitutional privacy rights, **578**
- data privacy
 - generally, **580, 584**
 - computer data and conversion, **712**
 - fiduciaries and attorneys, **696, 724**
 - trade secrets, **735, 739**
- dignity vs. property right, **579**
- Driver's Privacy Protection Act, **584**
- drug testing as violation of, **580**

INDEX

Privacy—Cont'd

- electronic communications invading, **584**
- emotional distress, **384**
- expectation of, **580**
- First Amendment, **579, 581, 582**
- false light, **582**
- gays and lesbians, outing, **581, 703**
- history, **578**
- identity theft, **650**
- instrumental purposes in protecting, **578**
- intrusion upon seclusion and data privacy, **580**
- newsworthiness, **579, 581**
- non-tort protections, **578**
- other torts and overlaps, **578, 580**
- public records, **581, 583**
- publicizing private life, **581, 395**
- strip search, Fourth Amendment civil rights claim for, **78**
- types of, **578**
- values protected by, **578**

Privilege

- See also Consent; Immunities; and particular topics such as Defamation
- Generally*, **24**
- absolute
 - consent, **542**
 - executive, **541**
 - judicial, **350, 539**
 - legislative, **540**
 - listed, **538**
 - meaning of, **350, 538**
 - publications required by law, **538**
 - spousal communication, **523, 538**
- abuse of, qualified privilege destroyed, **550**
- agent exercising principal's, **425**
- arrest
 - privilege to enter property in making, **86**
 - probable cause, **95, 96**
 - under warrant, **93**
 - without a warrant, **94**
- defamation, see Defamation, this Index

Privilege—Cont'd

- defense of a third person, **84**
- defense of land or chattels, **86-89**
- discipline, see Discipline, this Index
- entry upon land of another
 - generally, **98-102**
 - free speech rights to use another's land, **102**
 - misconduct after privileged entry, **100**
- executive branch business, **541**
- immunities compared and distinguished, **252**
- interference with contract, **617, 618, 620, 630**
- investigative stops, **77**
- judicial proceedings
 - defamation, **539**
 - prosecutors, **733**
- justification vs. excuse, **24**
- lis pendens as absolutely privileged, **593, 661**
- merchant's detention of suspected shoplifter, **92**
- military orders to inflict harm, **103**
- necessity, **86, 117, 118**
- parental discipline, **104**
- protection of others, **84**
- public necessity, **119**
- qualified or conditional, generally, **544**
- recapture of chattels, **91**
- recovery of or reentry upon land, **90**
- regulatory inspections, **99**
- rights distinguished, **101**
- schools, discipline of children, **104**
- self defense, **80-83**
- speech rights on another's land, **102**
- third person unintentionally injured in exercise of, **86**
- trespass ab initio, **50, 100**

Privity

- See also Economic Loss Rules; Proximate Cause; Third Persons
- duty based upon contract or undertaking, earlier requirement of, **450**
- legal malpractice, **725**
- misrepresentation, not required, **679**

Probable Cause

- See also Arrest; Malicious Prosecution
- administrative inspections, **99**
- burden of proof, **78, 97**
- civil rights or constitutional claims, **78, 97, 599**
- defined, **95**
- excessive force, probable cause not relevant, **97**
- judge or jury issue, **96, 588**
- malicious prosecution, **588**
- meaning generally, **588**
- prosecutions without probable cause, due process, **597, 599, 600**
- required to sustain arrest without warrant, **94**
- shopper's hidden merchandise, **95, 588**

Process Rights

- See Abuse of Process; Judicial and Legal Process; Malicious Prosecution

Process Values

- See Judicial and Legal Process

Products Liability

- Generally*, **447, 448**
- accepted work doctrine
 - real property sales, strict liability and, **478**
 - sophisticated user rule compared, **464**
- allergies, **464**
- alteration of product, **471**
- alternative causation, **193**
- assumed risk, **470**
- bailors of chattels, **478**
- blood products, **452**
- bulk goods, **467**
- burden of proof
 - generally, **451**
 - design defects, shifting, **460**
 - crashworthiness or enhanced injury cases, **471**
 - reasonable alternative design, **458**
 - risk-utility test generally, **457**
 - state of the art statutes, **473**

Products Liability—Cont'd

- bystanders injured, **476**
- causation
 - plaintiff fault, **470**
 - proximate cause or superseding cause, **451, 471**
 - required element, **451**
 - warning cases, **468**
- circumstantial evidence
 - design defects, **457**
 - manufacturing defects, **454**
- commercial sellers and distributors covered, **477**
- comparative causation argument, **470**
- comparative fault
 - generally, **470**
 - misuse as, **471**
- compliance with statute, **474**
- component parts
 - other property or not, **449**
 - seller of, liability and warnings, **467**
- consumer expectations
 - bystander injuries, **476**
 - open and obvious dangers under, **455**
 - test of defect, **453**
- crashworthiness, **471**
- customs or standards of industry, **448, 473**
- dangerous users, marketing to, **452**
- decline of strict liability theory, **450**
- defect
 - danger distinguished, **451**
 - misuse negating, **471**
 - negligence and, **448**
 - plaintiff's failure to discover, **470**
 - requirement of, **451**
 - types of, **452**
- design defect
 - burden of proof, **457**
 - defined, **452**
 - expert testimony, **457, 463**
 - foreseeability, **457**
 - manifestly unreasonable design, **457, 458**
 - proving, **457**

INDEX

Products Liability—Cont'd

- design defect—Cont'd
 - reasonable alternative design, **458, 459**
 - risks and utilities of design, **456**
 - shifting the burden of proof, **460**
 - subsequent design change or repair, **459**
 - unknowable or unavoidable danger, **461, 462**
- development of strict liability in tort, **450**
- disclaimers and limitations on liability, **472**
- economic harm, economic loss rule, **449**
- electricity, **478**
- emotional harm to bystander, **476**
- exculpatory clauses or disclaimers, **472**
- English-only warnings, **465**
- enhanced injury resulting from defect, **471**
- expert testimony, **457, 459, 463**
- firefighters' rule, defective product and, **365**
- food products
 - res ipsa loquitur, **172**
 - strict liability of seller, **452, 453, 456**
- foreseeability, **457**
- games, interactive, **478**
- Greenman v. Yuba Power Products, **450**
- guns, marketed to dangerous users, **452**
- heeding presumption, **468**
- historical development, **450**
- indemnity of retailer, **477**
- industry standards, scientifically unknowable risk distinguished, **473**
- information defects, **452**
- intangible products, **478**
- learned intermediary rule, **466**
- lessors of chattels and real property, **478**
- MacPherson v. Buick Motor Co., **450**

Products Liability—Cont'd

- manifestly defective products, **457, 458**
- manufacturing defect
 - generally, **452**
 - proving, **454**
 - unknowable danger and, **462, 473**
- market-share liability, **194**
- marketing defects, **452**
- medical or scientific causation, **468**
- misrepresentation theories, **448**
- misuse, **471**
 - negligence, **471**
 - economic harm rule, **449**
 - industry custom, **448**
 - privity rule abolished, **450**
 - theory of products liability, **448**
- negligence vs. strict liability
 - generally, **451**
 - burden of proof distinctions, **456**
 - industry custom and risk-utility test, **448**
 - unknowable risks distinction, **456, 462**
 - warning defects and, **464**
- open and obvious dangers
 - consumer expectations and, **455**
 - design cases, **457**
 - risks-utility test and, **456**
 - warnings and, **464**
- parties and products covered, **476-478**
- pharmacists, **466, 478**
- plaintiff's failure to discover product defect, **470**
- preemption of state law, **474**
- prenatal injury, **367**
- prescription drugs, warnings, **466**
- privity rule in early development, **450**
- products and transactions covered, **477, 478**
- proximate cause, misuse or alteration, **471**
- publications and games as products
 - or not, **478**
- rationales, **450**
- raw materials, **467**
- real property, **478**

Products Liability—Cont'd

- reasonable alternative design, **458, 459**
- recall or retrofit, **469**
- res ipsa loquitur, **463**
- risk-utility test
 - design defects, **456**
 - manifestly defective products and, **457, 458**
 - negligence and, **448, 452, 456**
 - reasonable alternative design, **458**
 - unavoidably unsafe products, **461**
 - warnings, **464**
- safety device defective, **470**
- scope of field, **447**
- scope of risk or proximate cause, **468, 471**
- sensitive plaintiffs, **464**
- service and hybrid transactions, **478**
- sophisticated users, **467**
- statutes of limitation, **475**
- statutory defenses, **473**
- strict liability
 - contract and tort approaches to, **448**
 - development and decline, **450**
 - rationales for, **450**
- strict liability vs. negligence, see negligence vs. strict liability
- subsequent remedial measures, **459**
- successor liability, **477**
- superseding cause, misuse, alteration as, **471**
- theories of relief, **448**
- toys
 - games distinguished, **478**
 - marketing dangerous instruments to children, **465**
 - reasonable alternative design issues, **458, 459**
- unavoidably unsafe products, **461**
- unforeseeable users, **476**
- unknowable risks, **461, 462, 473**
- used goods, **478**
- warnings
 - generally, **452, 464-469**
 - adequacy of content and expression, **465**

Products Liability—Cont'd

- warnings—Cont'd
 - bulk goods, **467**
 - causation requirement, **467**
 - content and expression, **465**
 - employer-purchasers, **467**
 - English-only warnings, **465**
 - heeding presumption, **467**
