

PREFACE

The Creditors' Remedies—Debtor's Relief volumes were originally written and edited by Stephen Seifert, Esq. The authors want to acknowledge his significant role in the creation and organization of this work.

Chapters 3, 4, 5, 6 and 7 were updated in 2018 by Britney Beall-Eder at Frasca, Joiner, Goodman & Greenstein, P.C., with special assistance from John A. Schoppert, law clerk at Frasca, Joiner, Goodman & Greenstein, P.C., and 3L at the University of Colorado School of Law.

The intent of these volumes is not to provide legal advice but to provide guidance on various legal topics in Colorado. Likewise, our intent is to provide general forms that may be adapted to a variety of situations. As the legal world has embraced technology, many forms have been replaced by official forms on state and federal web sites. We have attempted to assist our readers in locating the most up to date forms, and provided variations where appropriate. While comprehensive, the case law and statutes provided herein may not inclusive of all of the possible legal issues in a given case.
