

Important: Shelving/Filing Instructions or Shipment Insert

Municipal Legal Forms

2026 Cumulative Supplement

Enclosed is the 2026 Cumulative Supplement of Municipal Legal Forms. This update includes over 100 new forms for a wide range of scenarios and situations to use in your government law practice. This enclosure completely replaces the 2025 Cumulative Supplement. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

Municipal Legal Forms provides an extensive source for thousands of comprehensive, clear, and accurate municipal governmental forms, such as licenses, applications, regulations, contracts, and leases. Each chapter of forms includes text sections, discussing important suggestions and cautions.

Filing Instructions

- **REMOVE and RECYCLE** the 2025 Cumulative Supplement pocket part pamphlet from the back of each bound volume.
- **PLACE** the new designated 2026 Cumulative Supplement pocket part pamphlet in the back of each bound volume.
