Shelving Instructions

- REMOVE and RECYCLE the 2024 supplement from the back of the book.
- PLACE the new 2025 supplement in the back of the book.

Highlights

This revision contains discussion of the recent developments affecting Arizona limited liability companies and partnerships laws. This volume represents our best efforts to provide the basic law and practical considerations necessary for the successful representation of clients, without burdening the practitioner with tangential citations and excessive black letter law. Forms have been updated so as to be more current and comprehensive, and many new forms have been added.
