

## Highlights of the Fourth Edition

*Guide to the Texas Rules of Evidence, Fourth Edition* offers practical and comprehensive exploration of the Texas Rules of Evidence. Authors Steven Goode and Olin Guy Wellborn III incorporate all significant rules, statutes, and cases interpreting state evidence rules, such as:

- Texas Rules of Civil Evidence
- Texas Rules of Criminal Evidence
- Federal Rules of Evidence
- Advisory Committee Notes
- Relevant legislative history

Topics include:

- Statements by co-conspirators
- Attorney-client privilege and work product
- Character and habit evidence
- Implied assertions
- Statements by co-conspirators
- Areas of expert testimony
- Impeachment

This volume has been revised since the Third Edition by incorporating both substantive and stylistic changes to the Rules and additions to the Advisory Committee notes. In addition, discussion of applicable state and federal case law has been updated and expanded.
