

INTRODUCTION TO THE 2025–2026 EDITION

Trial Handbook For Tennessee Lawyers (Tennessee Handbook Series) covers Tennessee trial rules and procedures from the moment a case is called until final judgment is entered.

New features and recent developments in this 2025-2026 Edition include coverage of:

- The role of attorney in trial of case; The right to counsel; The right to competent counsel; General conduct of the attorney; and Discipline of an attorney for improper conduct
- Recent cases covering Motions During Trial, Default, and Dismissal
- New coverage on Criminal trials being conducted within the ethical standards of the profession
- Recent case law on Contempt of Court and the Selection of the Jury
- Additional coverage on Burden of Proof and Proof of Facts
- Recent cases on Witnesses, Examination and Cross-Examination of Witnesses
- Additional coverage on the Dead Man’s Act and Presumptions
- New case law covering Documentary Evidence and Hearsay Evidence as well as the Admissibility of other types of Evidence and Objections to Evidence
- Recent cases on Closing Arguments, Instructions, Jury Conduct, and Judgment
- And more. . .
