

# Introduction

Alternative Dispute Resolution examines the technique, procedures, and underlying statutory and caselaw involved in alternative dispute resolution (ADR). This edition reviews various ADR proceedings, including: mediation; summary jury trials; minitrials; early neutral evaluation and court-annexed ADR.

This Fourth Edition contains fully updated case law and Appendices, as well as:

- fully revised section § 8:19 on The Supreme Court and class action arbitrations
- new guidance on drafting an arbitration clause and the requirement of writing and signatures (§§ 8:2, 8:3)
- fully revised Chapter 9 on Commencing an Arbitration
- new sections on exhibits for Arbitration, see §§ 10:32 et seq.
