I gratefully acknowledge Katelyn A. Rauh, Class of 2021 and Meghan Garvey, Class of 2021 of the Elisabeth Haub School of Law at Pace University for their superb assistance in preparing the 2020/21 Supplement of these volumes. I am especially grateful for their wonderful help with the preparation of Chapter 19, a new chapter to this work about the law developing in response to the COVID-19 crises in prisons and jails.
