Antitrust Adviser

Irving Scher and Scott Martin
Editors

This year we are providing you with all new contents of the treatise. **The two-volume set has been converted into a pamphlet format.** This should greatly improve the reader's experience in terms of filing pages within a limited binder system—allowing the work to easily expand as needed. Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

Filing Instructions

- **REMOVE and RECYCLE** the entire treatise set (binders & contents).
- **PLACE** the new 2024 pamphlet edition (volumes 1 and 2) in your library.
