

Introduction to the 2025-2026 Edition

Arizona Corporate Practice provides comprehensive coverage of all aspects of Arizona corporate law, including analysis of the Arizona Business and Professional Corporations Acts, and related statutes that reside outside of the act. It includes:

- Updated information relating to the Corporate Transparency Act, which became effective January 1, 2024
- Updated information relating to dissolutions and terminations. See § 12:104
- Updated cases and statutes throughout

These 2025–2026 Edition volumes cover statutes through the 2025 Arizona Legislative Session, and case law current through June 2025.
