

Editor's Introduction to Corporate Counsel's Guide to Privacy, 2025-2026 edition

Corporate Counsel's Guide to Privacy covers one of today's hot topics and deals with two principal areas of concern: privacy in the workplace and privacy relating to the Internet and e-commerce. It includes a master privacy checklist, as well as concise and practical discussions on international issues, records retention, appropriate privacy policies, and other subjects.

Several chapters received revised and updated material in this edition, including:

- Chapter 2 The Gramm-Leach-Bliley Act, including a new appendix addressing the FTC Safeguards Rule
- Chapter 4 International Privacy Issues, including a new appendix addressing guidance from the European Commission on the General Data Protection Regulation
- Chapter 7 Electronic Transactions and Privacy Standards under HIPAA, including a new section heading addressing **Immunity** and a new appendix providing guidance from the FTC
- Chapter 16 The Computer Fraud and Abuse Act, including a new section heading addressing **Authorized access**
- Chapter 17 The Children's Online Privacy Protection Act of 1998
- Chapter 18 The Video Privacy Protection Act of 1988
- Chapter 20 State Data Security Laws, including new section headings addressing **Insurance** and **medical records**
- Chapter 24 Unsolicited Facsimiles, including new section headings addressing **Trade association membership** and **Determining what qualifies as an advertisement**
- Chapter 25 Unsolicited Telephone Calls
