Customs Law & Administration: Treaties

2024 Edition

This year the entire set has been converted into a softcover pamphlet format. This new format should greatly improve the reader's experience in terms of filing pages within a limited binder system—allowing the work to easily expand as needed. Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year.

Customs Law and Administration: Treaties includes the full text versions of more than 220 treaties between the United States and 85 other countries, along with 15 multilateral treaties to which the U.S. is a signatory. These agreements address the importation of goods into the U.S. and exportation of goods to foreign countries.

Filing Instructions

- **REMOVE and RECYCLE** the entire hard-cover treatise set.
- **PLACE** the new 2024 pamphlet edition (volumes 1 to 7) in your library.
