

WHAT'S NEW IN THE 2025-2026 EDITION

This volume includes a number of changes from the previous biennial volume:

- This edition updates the statutes reported through the 2025 Legislative Session.
- The Authors' Commentary has been updated to reflect changes in the law since the publication of the previous edition.
- This volume includes the Colorado Revised Nonprofit Corporation Act in its entirety.
- The volume has been made more compact through the elimination of extensive legislative history that no longer serves the heuristic purposes necessary to understand previous changes.
