

WHAT'S NEW IN THE 2025-2026 EDITION

- Dozens of new 2024 and 2025 case citations have been added throughout. Important new decisions have been handed down in many areas of civil procedure including:
- The application of the rule concerning contempt sanctions.
- The standards governing dismissal of claims.
- The adjudication of questions of sovereign immunity under the Colorado Governmental Immunity Act.
- Application of principles concerning personal jurisdiction.
- The standards for the Supreme Court's exercise of original jurisdiction.
- Application of the rules concerning standing.
- Adjudication of subject matter jurisdiction.
