

Introduction to 2024–2025 Edition

Missouri Motions in Limine (Vol. 39, Missouri Practice Series) is your one-stop source for making or opposing in limine motions. The text is devoted to Missouri in limine motions, critical evidence motions that, if granted, can end a case early. It covers issues such as excluding expert opinions, scientific tests, and improper discovery.

Highlights

- Updated case law and new case summaries throughout
- New sample § 4:133: Opposition to motion to exclude text messages
- New sample § 6:59: Motion for evidentiary sanctions for failure to serve answers/objections to interrogatories
- New sample § 7:71: Motion to exclude evidence regarding witness's mental health
- New sample § 9:63: Motion to bar premature rebuttal to affirmative defense
- New sample § 10:213: Motion to exclude evidence regarding party's prior injuries

Thank you for subscribing to *Missouri Motions in Limine*. Each year we make every effort to include new citations to evidence cases, particularly matters of first impression that have occurred during the past year. We hope that you find this book an invaluable tool for your practice.
