

Guide to Employee Handbooks
2025–2026 Edition
By Chelsea D. Hoffman

Guide to Employee Handbooks provides step-by-step, “what-to-do” and “how-to-do-it” guidance for creating and updating employee handbooks. The text offers comprehensive coverage of problems most likely to be encountered and is designed to give you confidence in arriving at viable compliance and legal solutions. Chapter topics include:

- Developing an employee handbook
- Employment-at-will
- Employment policies
- Compensation policies
- Time-off benefits
- Group health and related benefits
- Employee conduct
