

2024-2025 Edition Highlights

This Edition has been split into three soft bound pamphlets which replace the prior two soft bound pamphlets.

In addition to many updates to statutes and statutory form material in the state chapters and appendices, this update also includes updates to § 2:3 Current uniform legislation permitting the durable power, § 3:12 The individual's right to determine medical care is not an absolute right – Prevention of suicide, and § 3:46 Department of Veterans Affairs and regulations governing advance medical directives, and the following new form clauses in Chapter 9:

- 2.73 Power to Create Spousal Lifetime Access Trust
- 2.73 (SF) Short Form—Power to Create Spousal Lifetime Access Trust
