

## Introduction to the 2025–2026 Edition

The editors of *Company Policy Statements* have included dozens of company policy statements from some of the country's leading corporations in this publication to help you draft or review policies for your organization. Streamlining the drafting process of company policy statements and highlighting the legal issues associated with policy statements, this resource provides sample policies on such legally sensitive areas as:

- Sarbanes-Oxley Act and stock exchange requirements
- Antitrust compliance
- Employee relations
- Insider trading
- The environment
- Conflicts of interest
- Anti-boycott compliance
- FCPA compliance
- Sexual harassment
- Records retention
- Intellectual property
- Business ethics and conduct
- Privacy
- Voice mail, e-mail, and use of the Internet
