

Defense of Equal Employment Claims 2025-2026 Edition

Defense of Equal Employment Claims provides a working knowledge of the concepts of equal opportunity law and defense of equal employment claims. Highlights to the 2025-2026 Edition include:

- Revised: Chapter 1. The Importance to the Employer of Understanding Equal Employment Opportunity Law.
- Updated: Chapter 3. Title VII of the Civil Rights Act of 1964-Scope, Disparate Treatment, with additional Appendix.
- Updated: Chapter 5. Age Discrimination in Employment Act.
- Recent case law developments on various legal issues, including commentary. See Chapters 1-4, 6-7, 9, and 11-12.
- Additional commentary and analysis on recent case law developments throughout the treatise.
