

INTRODUCTION TO THE 2025-2026 EDITION

Trusts and Estates Practice in New York (Vols. D-E, New York Practice Series) provides a detailed, step-by-step view from the bench and bar to help you handle trusts and estates matters quickly and effectively. It covers all stages of lifetime gifts and planning for incapacity, estate planning, probate and estate administration, estate tax planning, and post-mortem planning considerations, and includes more than 100 forms.
