

What's New in the 2025-2026 Edition

This year's edition includes:

- A new discussion of cryptocurrency and early implications for transfer agents;
- Status of states that have enacted the 2022 revision to UCC Article 8;
- The addition of Article 8 UCC forms from West's Editorial Staff; and
- Discussion of the SEC's adoption of an amendment to Rule 15c3-3, shortening for "carrying" broker-dealers the special reserve bank account calculation from one week to daily.
