Litigating Nursing Home Abuse Cases

The binder set has been converted into a pamphlet format. This should greatly improve the reader's experience in terms of filing pages within a limited binder system—allowing the work to easily expand as needed. Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year.

Shelving Instructions

- REMOVE and RECYCLE all binders and contents
- PLACE the new pamphlets in its place
