

## INTRODUCTION TO 2025-2026 EDITION

*McFadden, Brewer & Sheppard's Georgia Appellate Practice with Forms* is a complete guide to handling appeals in the court system of Georgia. This handy manual makes all Georgia statutes and case law regarding appellate practice quickly accessible. In this edition, new material has been added and/or existing material updated on the following subjects, among others:

- Transfer of cases
- Appeals to state or superior court
- Declaratory judgments
- Administrative actions
- Preservation of error
- Collateral order doctrine
- Out-of-time appeals
- Interlocutory review
- Discretionary review
- Distress or dispossessory cases
- Supersedeas and bond
- Transcript
- Digital record of proceedings
- Briefs
- Enumeration of errors
- Right to appellate counsel
- Appeals by state

**This 2025-2026 Edition replaces the 2024-2025 Edition, which may now be recycled or discarded.**
