

INTRODUCTION TO THE 2025–2026 EDITION

The 2025–2026 Edition of the Business Law Deskbook provides a comprehensive yet concise discussion and analysis of approximately 40 business law topics. These include business organizations, contract and commercial transactions, employment law, intellectual property, advertising and distribution, environmental law, securities, mergers and acquisitions, dissolution and bankruptcy, business litigation, and miscellaneous topics such as Internet law and collection remedies. This edition updates all information from the previous edition and reflects statutes through the 2025 Arizona Legislative Session.
