

INTRODUCTION TO 2025-2026 EDITION

Utah Family Law, 2025-2026 ed. (Vol 2. Utah Practice Series) compiles all statutes most relevant to family law in Utah and organizes them by topic, making it easier to find answers to your questions. Written both for seasoned and novice practitioners, this title provides valuable commentary and practice tips that show you how to apply the law, in addition to discussion of pertinent cases and research references.

This *Utah Family Law, 2025-2026 Ed.* (Vol 2. Utah Practice Series) replaces *Utah Family Law, 2024-2025 Ed.* in its entirety.

Highlights

- Updated Utah Code sections throughout
- New and updated court rules
- New case law developments since publication of the previous edition

Thank you for subscribing to *Utah Family Law*. We hope you find this book an invaluable tool for your practice.
