

## **What's New in the 2025 Edition**

This edition of the Colorado Handbook on Evidence is designed to keep you current with the Colorado Rules of Evidence and their application by the courts. The Handbook is intended to serve as a compact, portable resource that gives attorneys access to the primary statutes and rules that come into play in litigation, commentary on the application of those statutes and rules (as well as a number of important common law doctrines), and tables and timelines to serve as practice aids.

New features and recent developments in this edition include a number of new citations and examples to further illustrate the application of Rules 102, 103, 105, 106, 201, 401, 402, 403, 404, 407, 408, 606, 611, 701, 702, 703, 801, 802, 803, 806 and 901.
