# **Family Estate Planning Guide**

2024-2025 edition

By the late Frederick K. Hoops, Frederick H. Hoops, III, and Daniel S. Hoops

Enclosed is the 2024-2025 release of *Family Estate Planning Guide*. This year we are providing you with all new contents of the treatise in a two-volume pamphlet format. This should greatly improve the reader's experience in terms of filing pages within a limited binder system—allowing the work to easily expand as needed. Though the format is changing, customers are not being charged more for this format change. Subscribers will pay the same overall price that they would have been charged during the course of the year.

This enclosure replaces the *Family Estate Planning Guide*, 4th edition binders and contents. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

Shipping separately is the Forms on CD (FOCD).
