Abatement actions

Land pollution, **21:16**

Abbreviations

Table of common abbreviations, **1:38**

Abuses

Reclamation Reform Act of 1902,
36:20

Access to justice

See **Federal Monetary Liability**

Access to land

Generally, **15:1 to 15:27**

Checkerboarded lands under Unlawful Inclosures Act of 1885,
access across, **15:9**

Congressional powers, **4:31**

Contractors, **15:5**

Federal government and licensees
over private land, **15:7 to 15:9**

FLPMA. Rights-of-way across
federal land, below

Hardrock miners, **15:6**

Inholdings. Private access to inholdings, below

Lessees, **15:5**

Licensees, **15:4**

Permittees, **15:4**

Private access to inholdings

Generally, **15:11 to 15:16**

BLM public lands, **15:15**

National forests, **15:12**

National parks, **15:14**

National wildlife refuges, **15:13**

Wilderness areas, **15:16**

Private property right, **15:3 to 15:6**

Rights-of-way across federal land

Generally, **15:17 to 15:27**

Development of federal land,
15:27

FLPMA

Generally, **15:21 to 15:26**

Access to land—Cont'd

Rights-of-way across federal land
—Cont'd

FLPMA—Cont'd

Application, **15:21**

Costs, **15:23**

Fees, **15:23**

Requirements, **15:22**

Road construction, maintenance,
and financing, **15:24**

Suspension or termination,
15:25

Pre-1976 rights-of-way, **15:18 to 15:20**

Preexisting access rights, **15:18**

Revised statute (R.S.) 2477
highways, **15:19**

Water diversions, access for, **15:20**

State access to landlocked state lands,
15:10

Unpatented mining claims, access
across, **15:8**

Acid deposition

Air pollution, **18:4, 18:16**

Acquired lands

Defined, **1:10**

Public mineral resources management. See **Public Mineral Resources Management**

Acquired Lands Act (ALA)

Generally, **40:31 to 40:33**

Acquisitions

Continuing disposition and acquisition of federal land. See

Continuing Disposition and Acquisition of Federal Land

Endangered and threatened wildlife
and plant species preservation,
29:18

Funding, **6:11**

Acquisitions—Cont'd

- Public water resources development, **36:9**
- Resource development and protection laws, **6:21**

Acreage

- Public mineral resources management, **38:25, 39:15**

Active partners

- Federalism, **5:5**

Additions

- River segment preservation, **26:4**

Adjustment

- See **Modification, Change or Adjustment**

Administrative law

- Generally, **7:1 to 7:40**
- Appeal and review
 - Air pollution, **18:25**
 - Federal monetary liability, **9:13 to 9:15**
 - Forest Service decisions
 - Generally, **7:29 to 7:40**
 - Appealable decisions, **7:31**
 - Appeal decisions, **7:37.3**
 - Conduct of appeal, **7:37.2**
 - Content and process of appeal, **7:37**
 - Context, appeals in, **7:40**
 - Filing prerequisites, **7:32**
 - Final decisions, **7:33**
 - Healthy Forests Restoration Act, **7:39.60, 7:39.90**
 - Implementing forest plans, **7:31 to 7:33**
 - Levels of appeals, **7:36**
 - Notice of appeal, **7:35**
 - Objections, predecision process under Healthy Forests Restoration Act, **7:39.60, 7:39.90**
 - Objections to forest plan amendments or revisions, **7:30**
 - Occupancy and use of forest system lands, appeals of

Administrative law—Cont'd

- Appeal and review—Cont'd
 - Forest Service decisions—Cont'd
 - decisions relating to, **7:34 to 7:37.3**
 - Predecisional administrative review, **7:39.30**
 - Process of appeal, **7:37**
 - Stays pending appeal, **7:37.1**
 - Forest Service decisions. Appeal of
 - Forest Service decisions, below
 - Hazardous fuel reduction projects, **7:39**
 - Interior Department decisions
 - Generally, **7:21 to 7:28**
 - Context, appeals in, **7:28**
 - IBLA
 - Generally, **7:23 to 7:27**
 - Filing deadlines, **7:24**
 - Final decisions, **7:27**
 - Hearing procedures, **7:26**
 - OHA and, **7:22**
 - Stays pending appeal, **7:25**
 - OHA and IBLA, **7:22**
 - Judicial review. See **Judicial Review**
 - NEPA, **17:12, 17:40 to 17:43**
 - Public recreation resource, appeal of permit denial, **31:39**
 - Surface mining control and reclamation, **38:40, 38:41**
- Congressional powers, **4:34**
- Continuing disposition and acquisition of federal lands, **13:5, 13:64**
- Decisions
 - Generally, **7:2**
 - Appeal and review, above
 - Federal land management agencies
 - Generally, **7:19, 7:20**
 - Appeal and review. See **Judicial Review**
 - Interior Department decisions.
 - Appeal and review, above
 - Politics of decisionmaking, **7:2**
 - Science of decisionmaking, **7:2**
- Federalism. See **Federalism**

INDEX

Administrative law—Cont'd

- Federal land management agencies
 - Generally, **7:3 to 7:11**
 - Adjudication, **7:18**
 - Agency manuals, **7:16**
 - Appeals Reform Act (repealed in 2014), **7:15**
 - Assistant secretaries of Department of Interior, **7:4**
 - Bureau of Land Management (BLM), **7:8**
 - Field organization, **7:11**
 - Fish and Wildlife Service, **7:6**
 - Formal rulemaking requirements, **7:14**
 - Informal decisions, **7:19**
 - Informal rulemaking requirements, **7:14**
 - Interior, Department of, generally, **7:4 to 7:9**
 - Judicial review. See **Judicial Review**
 - Land use planning, **7:17**
 - Manuals of agencies, **7:16**
 - Multiple and super agency decisions, **7:20**
 - National Forest Service, Department of Agriculture, **7:10**
 - National Park Service, **7:7**
 - Public property exemption, **7:13**
 - Rulemaking, **7:13 to 7:16**
 - Secretary of Department of Interior, **7:4**
 - Super agency decisions, **7:20**
- Federal land use planning, NEPA compliance, **16:46**
- Forests. National Forest Service, below
- Functions of agencies, generally, **7:1**
- Healthy Forests Restoration Act, **7:39.60, 7:39.90**
- IBLA. Appeals and review, above
- Interior, Department of
 - Appeal and review, above
 - Federal land management agencies, above
- Internet access, **1:26**
- Judicial review. See **Judicial Review**
- Management function, **7:1**

Administrative law—Cont'd

- Manuals, generally, **1:25**
- Modern public natural resources law, **1:19**
- Multiple use, sustained yield management of public surface resources, **33:27**
- National Forest Management Act, NEPA compliance, **16:46**
- National Forest Service
 - Generally, **7:10**
 - Appeal and review, above
- Opinions, generally, **1:25**
- Orders, generally, **1:25**
- Politics of decisionmaking, **7:2**
- Predecisional administrative review, **7:39.30, 7:39.60, 7:39.90**
- Procedural overlay statutes, **6:9 to 6:11**
- Public mineral resources management. See **Public Mineral Resources Management**
- Regulations, generally, **1:25, 7:1**
- Science of decisionmaking, **7:2**

Adoption

- Federal wildlife and wildlife habitat management programs, **32:29**

Advance payments

- Forest Service timber contracts, **34:32**

Adverse impact

- Mitigation, **27:3**
- NEPA, **17:40 to 17:43**
- Takings, **4:25 to 4:27, 4:30**

Advertisement

- BLM timber contracts, **34:49**
- Forest Service timber contracts, **34:28**

Advisory boards

- BLM livestock grazing regulation, **33:11**
- Forest Service livestock grazing, **33:34**

Affirmative conservation

- Endangered and threatened wildlife and plant species preservation, **29:38**

Agencies

- Administrative law. See **Administrative Law**
- Diversity, agency-specific, **6:6**
- Federal monetary liability, **9:14, 9:15**
- Judicial review of land management agency decisions, **8:52 to 8:57**
- Legal literature, agency-specific books, **1:31**
- Peripheral statutes, **6:18**

Agriculture

- Administrative law, **7:10**
- Continuing disposition and acquisition of federal lands, **13:22**

Air pollution

- Generally, **18:1 to 18:31**
- Acid deposition, **18:4, 18:16**
- Classification of air quality control regions, **18:21**
- Clean Air Act
 - Generally, **18:6 to 18:18**
 - Acid deposition control, **18:16**
 - Enforcement, **18:10**
 - Federal facilities, **18:14**
 - Hazardous air pollutants, **18:12**
 - Interstate pollution, **18:17**
 - Mobile sources, **18:13**
 - National ambient air quality standards, **18:7 to 18:9**
 - New sources, regulation of, **18:11**
 - Permits, **18:9**
 - State implementation plans, **18:8**
 - Stratospheric ozone protection, **18:15**
- Criteria pollutants, **18:2**
- Federal lands, **18:2 to 18:5**
- Nonattainment, **18:19**
- Permits, **18:9, 18:23**
- PSD (Prevention of Significant Deterioration), **18:20 to 18:23**
- PSD increments and pollutants, **18:22**
- Significant deterioration, prevention of, **18:20 to 18:23**
- Visibility
 - Generally, **18:24 to 18:30**
 - Best available retrofit technology, **18:27**

Air pollution—Cont'd

- Visibility—Cont'd
 - Current visibility issues, **18:28**
 - EPA's regional haze regulations, **18:30**
 - EPA's visibility protection regulations, **18:24**
 - Impairment, **18:3**
 - Integral vistas, **18:27**
 - Interstate pollution, **18:26**
 - 1990 amendments, **18:29**
 - Permits, **18:27**
 - Review of SIPs, **18:25**

Alaska

- Continuing disposition and acquisition of federal lands. See **Continuing Disposition and Acquisition of Federal Lands**
- Endangered and threatened wildlife and plant species preservation, **29:44**
- Multiple use, sustained yield management of public surface resources. See **Multiple Use, Sustained Yield Management of Public Surface Resources**
- National wildlife refuge system, **16:9**
- Park system units, **16:5**
- Reservations, **14:23**
- Withdrawal, **14:23**

Alaska National Interest Lands Conservation Act

- Generally, **13:14 to 13:17**

Alaska Native Claims Settlement Act

- Generally, **13:13**

Alaska Statehood Act

- Generally, **13:12**

Allowable cut

- National Forest Management Act, **34:13**

Ambient air

- National ambient air quality standards, **11:6 to 11:9**

INDEX

Amendments or revisions

- Access to federal lands and natural resources, **15:19**
- Administrative law, **7:30**
- Air pollution, 1990 amendments, **18:29**
- Bureau of Land Management's grazing regulations, **33:29**
- Electric Consumers Protection Act amendments, **37:23**
- Federal Power Act (FPA), **37:2, 37:14**
- Forest plan amendments or revisions, **7:30**
- Mining and mineral processing wastes and Beville Amendment, **20:16 to 20:18**
- Oil and gas wastes and Bentsen Amendment, **20:20**
- Tenth Amendment, **4:36**

Amenity protection

- Modern public natural resources law, **1:22**

Ancient oil shale location claims

- Generally, **40:4, 40:5**

Annual timber sale plans

- BLM timber contracts, **34:50**

Anticipatory demolition

- NHPA, **28:11**

Antidegradation policy

- Nonpoint sources, control of, **19:13**

Antiquities Act of 1906

- Generally, **28:2**

APD notices

- Federal Onshore Oil and Gas Leasing Resource Act (FOOGLRA), **39:23**

Appeal and review

- Administrative law. See **Administrative Law**
- Judicial review. See **Judicial Review of Land Management Agency Decisions**

Appeals Reform Act

- Repealed in 2014, **7:15**

Applications

- Federal hydroelectric projects and licensing, **37:12, 37:25**
- Geothermal resources leasing, **40:25**
- Public coal resource, **38:6, 38:7**
- Rights-of-way across federal land, **15:21**

Apportionment

- Interstate equitable apportionment of water and fish, **5:34**
- Land pollution, general liability standards, **21:21**

Appraisals

- Continuing disposition and acquisition of federal lands, **13:29, 13:36**
- Multiple use, sustained yield management of public surface resources, **34:33, 34:51, 34:61**

Appropriate plaintiffs

- Land pollution damages, **21:44 to 21:46**

Appropriation

- Taking, federal liability for, **12:4**

Appurtenancy

- Federal reclamation projects, **36:15**

Aquatic and wetlands development, control of

- See **Water Pollution**

Archaeological preservation

- See **Federal Land and Resource Preservation Management**

Archaeological Resources Protection Act of 1979 (ARPA)

- Generally, **28:3 to 28:6**

Arrangers

- Government liability, land pollution, **21:33**

Assembled land exchanges

- BLM land exchanges, **13:35**

Assessments

- Biological assessment, **29:25**
- ECPA consultation requirements, assessment of, **37:30**
- Environmental assessments
 - Generally, **1:22**
 - Geothermal resources leasing, **40:21 to 40:24**
 - Historical and geographical frameworks of public natural resources law, **2:21**
 - NEPA, **17:5 to 17:12**
 - Public coal resource, **38:7**
- Federal administrative taking assessments, **4:34**
- Federal Onshore Oil and Gas Leasing Resource Act (FOOGLRA) lease sales, **39:21**
- Forest Service planning regulations under National Forest Management Act, **16:45**
- Hardrock mineral resource, **42:21**
- Judicial review of NFMA plans, assessment of, **16:62**
- Land pollution. See **Land Pollution**
- Public coal resource, environmental assessment of lease issuance, **38:7**
- Public onshore oil and gas resource, pre-lease environmental assessment, **39:7**
- Water pollution, natural resource damage liability and assessment, **19:33**

Assignment

- Public recreation resource, **31:29**
- Public timber resource, **34:62**

Assistant secretaries of Department of Interior

- Generally, **7:4**

Associational standing

- Judicial review of land management agency decisions, **8:24**

Assumptions

- Generally, **1:28**
- Federalism, **5:2**

Attorneys' fees

- Federal monetary liability. See **Federal Monetary Liability**
- Land pollution damages, **21:62**

AUMs

- BLM livestock grazing regulation, **33:14**

Available lands

- Geothermal resources leasing, **40:17 to 40:19**
- Oil shale leasing and location, **40:6**

Below-cost sales

- Public timber resource, **34:18**

Bentsen Amendment

- Oil and gas wastes, **20:20**

Best available retrofit technology

- Air pollution, **18:27**

Best available science

- Forest Service land management planning regulations under National Forest Management Act, **16:43**

Bevill Amendment

- Mining and mineral processing wastes, **20:16 to 20:18**

Bids and bidding

- Multiple use, sustained yield management of public surface resources. See **Multiple Use, Sustained Yield Management of Public Surface Resources**
- Public mineral resources management, **39:14**

Binding exchange agreements

- Continuing disposition and acquisition of federal lands, **13:31**

Biodiversity

- National Forest Management Act, **16:59**

Biological assessment

- Endangered and threatened wildlife and plant species preservation, **29:25**

INDEX

BLM

See **Bureau of Land Management (BLM)**

BLM Reno Plan

Multiple use, sustained yield management of public surface resources, **33:47**

BMPs

Water pollution, nonpoint sources, control of, **19:12**

Bonds

Multiple use, sustained yield management of public surface resources, **34:32, 34:58**

Public mineral resources management, **38:13, 38:37**

Bounties

Endangered and threatened wildlife and plant species preservation, **29:48**

Breach of contract

Multiple use, sustained yield management of public surface resources, **34:42**

Budget

Public water resources development, **36:22**

Bureau of Land Management (BLM)

Access to federal lands and natural resources, **15:15**

Administrative law, **7:8**

Age of conservation, 1872-1964, **2:14**

Continuing disposition and acquisition of federal lands. See **Continuing Disposition and Acquisition of Federal Land**

Federal land use planning. See **Federal Land Use Planning**

Hydraulic fracturing (fracking) regulation, **39:24.10**

Land pollution, **20:4**

Multiple use, sustained yield management of public surface resources. See **Multiple Use, Sustained Yield Management**

Bureau of Land Management (BLM) —Cont'd

of Public Surface Resources

National wilderness preservation system, **25:12, 25:16**

Public mineral resources management, **40:38, 42:27, 42:33**

Reservation, **14:8**

Sale and location of unique or uncommon common mineral varieties on BLM public lands, **40:38**

Statutes, **6:16**

Bureau of Reclamation

Public water resources development, **36:4**

Burros

Federal wildlife and wildlife habitat management programs, **32:28, 32:29**

Cancellations

Forest Service livestock grazing, **33:44**

Cappaert and New Mexico decisions

Judicially imposed limitations on state power, **5:36**

Carey Act

Continuing disposition and acquisition of federal lands, **13:3**

Castle case

Hardrock mineral resource, **42:18**

Causation

Judicial review of land management agency decisions, **8:15 to 8:17**

Land pollution, **21:23**

CDCA

Public recreation resource, **31:10**

CERCLA

Land pollution. See **Land Pollution**

Certainty and uncertainty

Congressional powers, **4:4**

Statutes, uncertainty of legal source, **6:7**

Certification

Public water resources development,
36:32, 37:41

Challenges

Continuing disposition and acquisition of federal lands, 13:64,
13:65

Land pollution, 21:53, 21:54

Multiple use, sustained yield management of public surface resources, 31:38

Change

See **Modification, Change or Adjustment**

Checkerboarded lands

Access to federal lands and natural resources, 15:9

Chemical minerals

Public mineral resources management, 40:8 to 40:11

Statutes, 6:25

Choice of law

Congressional powers of federal lands and natural resources, 3:8

Chronological tiering

NEPA, 17:26

Citizen suits

Endangered and threatened wildlife and plant species preservation, 29:49

Land pollution, 21:65

Water pollution, 19:36

Civil law

Endangered and threatened wildlife and plant species preservation, 29:46

Federal Onshore Oil and Gas Leasing Resource Act (FOOGLRA) lease sales, 39:21

Land pollution, 21:36

Claim maintenance fees

Hardrock mineral resource, 42:22

Claims court

Federal monetary liability, 9:13

Classification

Generally, 14:19 to 14:22

Air pollution, 18:21

FLPMA classification, 14:22

History, 14:19

Multiple Use Act, 14:21

Public watershed resource, 35:13

River segment preservation, 26:6

Taylor Act, 14:20

Clean Air Act

See **Air Pollution**

Cleanup

Land pollution. See **Land Pollution**

Clean Water Act

Federal hydroelectric projects and licensing, 37:41, 37:42

Oil spills, 19:29

Public timber resource, 34:11

Wetlands preservation, 27:2 to 27:4

Clearcutting

National Forest Management Act, 16:54, 34:16

CMAI

Public timber resource, 34:17

Coal mining wastes

Land pollution, 20:19

Coal resource

See **Public Mineral Resources Management**

Coleman case

Hardrock mineral resource, 42:19, 42:20

Valuable mineral deposit, 42:19, 42:20

Color of title

Continuing disposition and acquisition of federal lands, 13:21

Commerce clause

Federalism, 5:11 to 5:14

Threats from nonfederal lands and resources, powers over, 3:16

INDEX

Commercial recreation facilities

National forest system (NFS), **31:33, 31:34**

Common law

Federalism, **5:33**

Common mineral varieties

See **Public Mineral Resources Management**

Communitization

Federal Onshore Oil and Gas Leasing Resource Act (FOOGLRA), **39:27**

Comparative value

Hardrock mineral resource, **42:17**

Compensation

Taking, federal liability for, **12:9 to 12:11**

Competition

Fertilizer and chemical mineral leasing, **40:11**

Geothermal leasing, **40:27**

Preservation as competing resource, **1:16**

Public coal resource, **38:21**

Public mineral resources management. See **Public Mineral Resources Management**

Public onshore oil and gas resource, **39:8**

Public watershed resource, **35:34**

Completion

Surface mining control and reclamation, **38:38**

Comprehensive plan requirement

Federal hydroelectric projects and licensing, **37:20**

Computer programs

National Forest Management Act, forest planning mechanism, **16:48**

Concessionaires

Multiple use, sustained yield management of public surface resources. See **Multiple Use,**

Concessionaires—Cont'd

Sustained Yield Management of Public Surface Resources

National forest system (NFS), **31:31 to 31:35**

Condemnation

Congressional powers of federal lands and natural resources, **3:19, 3:20**

Procedural overlay statutes, **6:11**

River segment preservation, **26:7**

Taking, federal liability for, **12:2 to 12:5**

Conditions

Land pollution, **21:29**

Multiple use, sustained yield management of public surface resources. See **Multiple Use, Sustained Yield Management of Public Surface Resources**

NEPA, **17:24**

Public water resources development, **37:18 to 37:20**

Conduct of appeal

Administrative law, Forest Service decision, **7:37.2**

Conferences

Endangered and threatened wildlife and plant species preservation, **29:26**

Conflicts

Federalism, **5:22**

Congress

Generally, **3:5 to 3:20**

Choice of law in federal enclaves, **3:8**

“Classical” theory, **3:11**

Condemnation, **3:19, 3:20**

Constitutional law, generally, **3:5 to 3:20, 4:1 to 4:36**

Eminent domain, **3:19, 3:20**

Federal “enclaves,” **3:6 to 3:9**

Federalism. See **Federalism**

Judicial interpretation, **3:12**

Limitations

Generally, **4:1 to 4:36**

Congress—Cont'd

Limitations—Cont'd

Delegation of legislative powers, **4:35**Federal administrative taking assessments, **4:34**Legislative veto, **4:2 to 4:4**

Regulatory takings doctrine

Generally, **4:6 to 4:19**Background principles exception to *Lucas* categorical rule, **4:13**Categorical takings, **4:8, 4:9**Denial of all economically viable use, **4:12**Economically viable use, denial, **4:9, 4:12**Economic impact, **4:15**Ends-means connection, **4:17**Geographical conceptual severance, **4:10**Non-categorical takings, **4:15 to 4:17**“Parcel as a whole” rule, **4:10, 4:11**Ripeness of takings claims, **4:14**Substantive due process, **4:7**Temporal conceptual severance, **4:11**Temporary taking, **4:18**Timing of regulatory restrictions, **4:16**Severance, **4:3**

Takings

Generally, **4:5, 4:20 to 4:33**Access restrictions, **4:31**Adverse economic impact, **4:25 to 4:27, 4:30**Endangered species, **4:32**Exhaustion, **4:21**Federal administrative taking assessments, **4:34**Forced transfers, **4:24**Forfeiture cases, **4:22**Nonmineral cases, **4:28 to 4:32**Public mineral cases, **4:22 to 4:27**Ripeness, **4:21**Temporal restrictions, **4:30****Congress—Cont'd**

Limitations—Cont'd

Takings—Cont'd

Threshold definitional questions, **4:23, 4:28**Timing questions, **4:21**Water rights, impact on, **4:29**Wildlife, control of, **4:29**Tenth Amendment, **4:36**Uncertainty, **4:4**Modern public natural resources law, **1:18**Multiple use, sustained yield management of public surface resources, **32:8 to 32:11**Powers, generally, **3:5 to 3:20**Public mineral resources management, **42:7**

Regulatory takings doctrine. Limitations, above

River segment preservation, **26:2**State within state, **3:9**Taking, federal liability for, **12:4**

Takings. Limitations, above

Threats from nonfederal lands and resources, powers over

Generally, **3:13 to 3:18**Commerce clause, **3:16**Property clause, **3:14**Treaty clause, **3:17****Connecting trails**Multiple use, sustained yield management of public surface resources, **31:47****Constitutional law**Generally, **3:1 to 5:39**Congress. See **Congress**Construction and interpretation, **3:2 to 3:4, 3:12**Convention, constitutional, **3:3**Courts, powers over public lands and resources, **3:24**Executive discretion in statutory implementation, **3:23**Executive powers over public lands and resources, **3:21 to 3:23**Federalism. See **Federalism**Federal monetary liability, **12:2**

INDEX

Constitutional law—Cont'd

- Inherent presidential power, **3:22**
- Judicial interpretation, **3:12**
- Judicial review of land management agency decisions, **8:11 to 8:14**
- Legislative veto, **4:2 to 4:4**
- Pre-Civil war constitutional litigation, **3:4**
- Pre-constitutional public land law, **3:2**
- Public water resources development, **36:3, 36:31**
- Severance, **4:3**
- Taking, **4:5**

- Federal monetary liability. See **Federal Monetary Liability**

Towns

- Continuing disposition and acquisition of federal lands, **13:6**

Toxic chemicals

- Land pollution, **20:10**

Toxic Substances Control Act

- Land pollution, **20:8**

Traditional public land law

- Generally, **1:14**

Trails

- Multiple use, sustained yield management of public surface resources. See **Multiple Use, Sustained Yield Management of Public Surface Resources**

Transfers

- Multiple use, sustained yield management of public surface resources, **33:12**
- Public water resources development, **37:14**

Transporters

- Land pollution, **20:22**

Trapping

- Multiple use, sustained yield management of public surface resources. See **Multiple Use, Sustained Yield Management of Public Surface Resources**

Treatment, storage, and disposal (TSD) facilities

- Land pollution, **20:23, 20:24**

Treaty clause

- Constitutional law, **3:17**

Trespass

- Multiple use, sustained yield management of public surface resources, **33:18**

Trusts

- Land pollution, **21:47 to 21:49, 21:52**
- Multiple use, sustained yield management of public surface resources, **35:31**
- Water pollution, **19:34**

TSD (Treatment, storage, and disposal) facilities

- Land pollution, **20:23, 20:24**

Tucker Act

- See **Federal Monetary Liability**

Type A assessments

- Land pollution damages, **21:58**

Type B assessments

- Land pollution damages, **21:59**

Udall case

- Federal hydroelectric projects and licensing, **37:22**

Underground coal

- Adjustment and regulation of pre-FCLAA coal leases, **38:11**

Underground injections

- Land pollution, **20:9**

Underground storage tanks

- Land pollution, **20:25**

INDEX

Understandings

Historical understandings, assumptions, and practices, **1:28**

Unified federal policy

Defined, **35:18**

Unique or uncommon common mineral varieties

Sale and location of common mineral varieties, **40:37 to 40:39**

Unitization

Federal Onshore Oil and Gas Leasing Resource Act (FOOGLRA), **39:27**

Public mineral resources management, **39:27**

Unlawful Inclosures Act of 1885

Access to federal lands and natural resources, **15:9**

Unpatented mining claims

Access to federal lands and natural resources, **15:8**

Utilization standards

Multiple use, sustained yield management of public surface resources, **34:38**

Validity

Forest Service land management planning regulations under National Forest Management Act, valid existing rights, **16:41**

Oil shale leasing and location, **40:4**

Surface mining control and reclamation, **38:42 to 38:45**

Value and valuation

Continuing disposition and acquisition of federal lands, **13:28**

Modern public natural resources law, **1:23**

Public mineral resources management. See **Public Mineral Resources Management**

Vegetation and pest control

Herbicides, pesticides, and predacides, **22:2**

Ventura County v. Gulf Oil Corporation

Federalism, **5:25, 5:26**

Veto

Congressional powers, **4:2 to 4:4**

Visibility

Air pollution. See **Air Pollution**

Volume

Multiple use, sustained yield management of public surface resources, **34:35**

Waiver

Land pollution, **20:31**

Water and water pollution

Generally, **19:1 to 19:37**

Access to federal lands and natural resources, **15:20**

Aquatic and wetlands development, control of

Generally, **19:15 to 19:26**

Criteria for issuance of dredge and fill permits, **19:24**

Delegation to states, **19:22**

Dredge and fill permits

Addition of dredged and fill materials, **19:16**

Criteria for issuance of dredge and fill permits, **19:24**

Exemptions, **19:23**

Nationwide dredge and fill permits, **19:25**

Navigable waters, **19:18**

NPDES permit program, **19:17**

Program, generally, **19:15**

Rapanos, **19:21**

Riverside Bayview, **19:19**

Sackett Case, **19:21.05**

SWANCC, **19:20**

Incentives to preserve wetlands, **19:26**

Joint EPA-Corps 2015 Regulations defining “waters of the United States,” **19:21.10**

Nationwide dredge and fill permits, **19:25**

Water and water pollution—Cont'd

Aquatic and wetlands development,
control of—Cont'd
Navigable Waters Protection Rule,
19:21.30

Rapanos, **19:21**

Riverside Bayview, **19:19**

States, **19:22**

Certifications of water quality, **19:8**

Citizen suits, **19:36**

Clean Water Act, **19:2 to 19:6, 19:29**

Congressional powers, **4:29**

Continuing disposition and acquisition
of federal lands, **13:15, 13:44**

Federalism, **5:34 to 5:37**

Federal land and resource preservation
management, **15:10, 25:11, 25:22, 27:2 to 27:4**

Groundwater, **19:6.10**

Land pollution, **20:9**

Licenses and permits, **19:2 to 19:8, 19:15 to 19:21**

Multiple use, sustained yield management
of public surface
resources, **34:11, 35:8, 35:9, 35:20 to 35:22**

Nonpoint sources, control of

Generally, **19:9 to 19:14**

Antidegradation policy, **19:13**

Beneficial application of sewage
sludge, **19:14**

Federal lands, **19:10**

State water quality management
plans, **19:11**

Water quality standards and BMPs,
relationship between, **19:12**

NPDES permit program scope, **19:2**

Oil Pollution Act of 1990, liability
under. Oil spills, above

Oil spills

Generally, **19:27 to 19:35**

Clean Water Act, liability under,
19:29

Federal response authority, **19:28**

Oil Pollution Act of 1990, liability
under

Generally, **19:30 to 19:34**

Damages, **19:32**

Water and water pollution—Cont'd

Oil spills—Cont'd

Oil Pollution Act of 1990, liability
under—Cont'd

Natural resource damage
liability and assessment,
19:33

Oil spill liability trust fund,
claims against, **19:34**

Removal costs, liability for,
19:31

Penalties, **19:35**

Point sources

Generally, **19:6**

Addition, **19:3**

Certifications of water quality,
19:8

Control of, **19:2 to 19:8**

Navigable waters, **19:5**

Obligations under permit program,
19:7

Pollutant, **19:4**

Scope of permit program, **19:2**

Point sources, control of, **19:2 to 19:8**

Public water resources development.
See **Public Water Resources
Development**

States

Aquatic and wetlands develop-
ment, control of, **19:22**
