# **McCormick On Evidence, 9<sup>th</sup> Edition**

**Practitioner Treatise Series**

We are pleased to enclose the Ninth Edition of *McCormick On Evidence*. This new edition of the treatise continues to offer practitioners a comprehensive and authoritative analysis of the rules and theory of evidence, maintaining the pragmatic approach to evidence issues taken by its original author Dean Charles McCormick. When there are specific questions of evidence for which a jurisdiction has no precedent, *McCormick on Evidence* provides the general theories and varying views from other jurisdictions you need to craft persuasive arguments. Please note that, for ease of handling, the materials in this shipment may ship in more than one box.

## **Shelving Instructions**

The two enclosed volumes of the Ninth Edition of McCormick On Evidence completely replace your volumes of the Eighth Edition and any pocket parts.

## **Highlights**

This edition contains updates throughout the treatise, with substantial revisions found in many chapters, examining amendments to the Federal Rules of Evidence, the new Rule 107, relevant United States Supreme Court and significant lower court rulings.
