PART I. PREPARING FOR DUE DILIGENCE

CHAPTER 1. INTELLECTUAL PROPERTY DUE DILIGENCE: PRELIMINARY CONSIDERATIONS

- § 1:1 Overview
- § 1:2 General due diligence goals
- § 1:3 Competence of counsel to the parties
- § 1:4 Communications and dealings between counsel and parties to the transaction
- § 1:5 Target Company's attorney-client privileges
- § 1:6 —Disclosures resulting in waiver of privilege
- § 1:7 —Work product doctrine
- § 1:8 —Common interest doctrine
- § 1:9 Privilege issues and audit letters
- § 1:10 —Accountants' audit letters
- § 1:11 —Intellectual property due diligence audit letters
- § 1:12 Attorney-client privilege, securities law, and SEC professional conduct rules
- § 1:13 The Sarbanes-Oxley Act
- § 1:14 SEC Attorney conduct rules issued pursuant to Sarbanes-Oxley
- § 1:15 SEC Attorney Conduct Rules Issued Pursuant to Sarbanes-Oxley—Attorneys subject to the rule
- § 1:16 — —Appearing and practicing
- § 1:17 — —Issuer
- § 1:18 —Specific obligations of subject attorneys
- § 1:19 —Reporting of evidence of a material violation to CLO or CEO
- § 1:20 —Escalation of report “up the ladder”
- § 1:21 —Exceptions to 205.3(b) reporting requirements
- § 1:22 —Alternative reporting procedures; Qualified Legal Compliance Committee (QLCC)
- § 1:23 —When the obligations are triggered

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 1:24 —Attorney disclosure of confidential information
- § 1:25 — —To prevent crime or fraud
- § 1:26 — —To defend self
- § 1:27 —“Safe harbor” and “whistleblower” protection for disclosing attorneys
- § 1:28 —Sanctions for failure to comply
- § 1:29 Target company’s trade secrets and proprietary information
- § 1:30 Target company’s confidentiality obligations toward third parties
- § 1:31 —Confidentiality obligations generally
- § 1:32 —Plant tours, product demonstrations, and interviews
- § 1:33 Internal and external disclosure and publicity restrictions
- § 1:34 Confidentiality agreement between buyer and target company
- § 1:35 Letters of intent
- § 1:36 Significance of the due diligence results: representations, warranties, and disclosures
- § 1:37 Significance of the results: representations, warranties, and disclosures—Legal implications of due diligence
- § 1:38 — —Malpractice liability
- § 1:39 Scope of the intellectual property due diligence
- § 1:40 Deadlines and scheduling
- § 1:41 Production and control of documents
- § 1:42 Establishment of a data room
- § 1:43 Data room procedures
- § 1:44 Virtual data rooms
- § 1:45 Data room procedures—Copying of documents
- § 1:46 —Location, security and hospitality
- § 1:47 Summary

CHAPTER 2. PREPARATION BY BUYER

- § 2:1 Overview
- § 2:2 IPDD planning
- § 2:3 —Defining the project objective
- § 2:4 — —Buyer’s goals and motivations in, and alternatives to, the transaction
- § 2:5 — —Statement of strategy: Buyer’s intellectual property ownership, protection, exploitation, and enforcement

TABLE OF CONTENTS

§ 2:6	— —Target Company’s goals and motivations in, and alternatives to, the transaction
§ 2:7	— —Target Company’s capacity to respond to the due diligence
§ 2:8	— —Materiality standard
§ 2:9	— —Inclusion of Target Company’s affiliates
§ 2:10	IPDD staffing—Buyer’s due diligence team members
§ 2:11	— —Technical employees and consultants
§ 2:12	— —Counsel
§ 2:13	— — —Domestic counsel
§ 2:14	— — —Intellectual property counsel
§ 2:15	— — —Foreign counsel
§ 2:16	Work breakdown structure and network planning
§ 2:17	IPDD scheduling
§ 2:18	—Activity duration estimates
§ 2:19	—Project start and finish times
§ 2:20	—Schedule calculations
§ 2:21	—IPDD schedule control
§ 2:22	—Project control process
§ 2:23	—Effects of actual schedule performance
§ 2:24	—Incorporating changes into the schedule and updating
§ 2:25	IPDD cost planning and performance
§ 2:26	—Project cost estimate
§ 2:27	—Project budgeting
§ 2:28	— —Determining actual cost
§ 2:29	— —Determining value of work performed
§ 2:30	IPDD project communication and documentation
§ 2:31	—Meetings
§ 2:32	—Project documentation and controlling changes
§ 2:33	— —Record keeping
§ 2:34	— —Internal memorandums
§ 2:35	—Reporting to Buyer
§ 2:36	— —Interim progress reports
§ 2:37	— —Final report
§ 2:38	— —Distribution of the final report
§ 2:39	—Scope, organization and review of documents
§ 2:40	— —Scope
§ 2:41	— —Buyer’s position on the IPDD checklist
§ 2:42	— —Document review
§ 2:43	Understanding the technological and creative intellectual property assets

§ 2:44 Summary

CHAPTER 3. PREPARATION FOR DUE DILIGENCE—TARGET COMPANY

- § 3:1 Overview
- § 3:2 —Scope
- § 3:3 —Focus
- § 3:4 Target Company's goals, motivation and alternatives
- § 3:5 —Primary goals
- § 3:6 —Secondary goals
- § 3:7 Buyer's goals, motivation, and alternatives
- § 3:8 Compatibility between Buyer's and Target Company's Organizational Cultures
- § 3:9 Current status of intellectual property portfolio
- § 3:10 Statement of strategy: intellectual property ownership, protection, exploitation, and enforcement
- § 3:11 —Ownership strategy
- § 3:12 —Protection strategy
- § 3:13 —Exploitation strategy
- § 3:14 —Enforcement strategy
- § 3:15 Target Company's intellectual property-related personnel
- § 3:16 —Inventive and creative personnel
- § 3:17 —Intellectual property supervision and management
- § 3:18 —Assessment, protection, exploitation, and enforcement personnel
- § 3:19 Target Company's due diligence team members: organization and leadership
- § 3:20 —Substantive aspects
- § 3:21 —Administrative aspects
- § 3:22 —Legal control
- § 3:23 Financial overview: intellectual property budget and valuation
- § 3:24 Scope and organization of documents
- § 3:25 —Overview of document procedures
- § 3:26 —Target Company's position on drafting and responding to the intellectual property due diligence checklist
- § 3:27 Collection and preparation of documents
- § 3:28 —Substantive matters

TABLE OF CONTENTS

- § 3:29 —Administrative matters
- § 3:30 Production of documents
- § 3:31 Summary

CHAPTER 4. INTELLECTUAL PROPERTY DUE DILIGENCE CHECKLIST

- § 4:1 Overview
- § 4:2 Initial document request
- § 4:3 Intellectual property due diligence checklist and explanations
- § 4:4 Checklist definitions
 - § 4:5 —Definitions: “Applicant”
 - § 4:6 —Definitions: “Author”
 - § 4:7 —Definitions: “Target Company”
 - § 4:8 —Definitions: “documents”
 - § 4:9 —Definitions: “employees”
 - § 4:10 —Definitions: “exploit”
 - § 4:11 —Definitions: “intellectual property”
 - § 4:12 —Definitions: “Interested Party”
 - § 4:13 —Definitions: “Inventor”
- § 4:14 Checklist general items
 - § 4:15 —List of relevant company personnel
 - § 4:16 —List of Target Company contact individuals
 - § 4:17 —Market information
 - § 4:18 —Competitors
 - § 4:19 —Insurance matters
 - § 4:20 —Scope of documents produced
 - § 4:21 —Intellectual property budget
 - § 4:22 —Foreign language documents
- § 4:23 Internet considerations
- § 4:24 Summary

PART II. INTELLECTUAL PROPERTY AUDITS

CHAPTER 5. PATENT AUDIT

- § 5:1 Overview
- § 5:2 Requested documents
 - § 5:3 —Patent portfolio

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 5:4 — —Nonprovisional patents and applications
- § 5:5 — —Provisional patent applications
- § 5:6 — —Divisional patents
- § 5:7 — —Continuations
- § 5:8 — —Continuations-in-part
- § 5:9 —Administrative proceedings—Disclaimers
- § 5:10 — —Post-grant proceedings
- § 5:11 — —Reissues
- § 5:12 — —Ex parte reexaminations
- § 5:13 — —Inter partes reexaminations and inter partes reviews (IPR)
- § 5:14 — —Supplemental examinations
- § 5:15 — —Post-grant reviews
- § 5:16 — —Interferences and derivation proceedings
- § 5:17 — —Certificates of correction and corrected patents
- § 5:18 — —Abandoned applications
- § 5:19 — —Statutory invention registration
- § 5:20 —Prosecution histories
- § 5:21 —Claim construction
- § 5:22 —Patent searches
- § 5:23 —Validity and infringement opinions
- § 5:24 —Information pertaining to patent exploitation and litigation
- § 5:25 Definition of rights
- § 5:26 —Inventions protectable
- § 5:27 — —Subject matter
- § 5:28 — —Utility
- § 5:29 — —Novelty
- § 5:30 — — —Pre-AIA law
- § 5:31 — — —Post-AIA law
- § 5:32 — —Nonobviousness
- § 5:33 — —In-use and on-sale bars
- § 5:34 — — —Public use
- § 5:35 — — —On-sale bar
- § 5:36 — — —Experimental use or sale
- § 5:37 — —Suppression
- § 5:38 — —Enablement, best mode, and written description under § 112
- § 5:39 — —Assessing the patentability of Target Company's inventions in view of due diligence (summary)
- § 5:40 —Geographic scope of rights

TABLE OF CONTENTS

§ 5:41	—Duration of rights
§ 5:42	— —Initial patent term
§ 5:43	— —Patent term extensions and adjustments
§ 5:44	—Limitations on rights
§ 5:45	— —Generally
§ 5:46	— —Prior user rights and exhaustion of rights— Pre-AIA law
§ 5:47	— — —Post-AIA law
§ 5:48	Whether Target Company owns the patents
§ 5:49	—Initial ownership
§ 5:50	—Joint inventorship
§ 5:51	—Joint Inventorship—Joint inventorship defined
§ 5:52	— —Rights of joint inventors
§ 5:53	— —Joint inventorship consequences for Target Company’s rights
§ 5:54	— —Improper attribution of joint inventorship
§ 5:55	—Inventions created by Target Company employees
§ 5:56	— —Rights of employer
§ 5:57	— —Implied-in-fact assignment
§ 5:58	— —Shop rights in inventions
§ 5:59	— —State laws pertaining to employee inventions
§ 5:60	—Contracts, including assignments and security interests
§ 5:61	— —Assignment formalities
§ 5:62	— —Assignments-in-part
§ 5:63	— —Priority of licenses, assignments and security interests
§ 5:64	—Impact of assignment versus license
§ 5:65	Whether the patents have been adequately protected
§ 5:66	—Maintenance fees
§ 5:67	—Enforcement and failure to enforce
§ 5:68	— —Statute of limitations and laches
§ 5:69	— —Implied licenses and estoppel
§ 5:70	— —Patent venue
§ 5:71	—Use of the “patent pending,” “patent,” and patent number designations
§ 5:72	—False marking
§ 5:73	—Proprietary markings—Sales to U.S. government
§ 5:74	—Customs recordation

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 5:75 Whether use of inventions depends on
preexisting or third-party rights
- § 5:76 Whether use of inventions depends on
preexisting or third party rights—Dependent
technologies and improvements
- § 5:77 — —Improvement and dependent patents
- § 5:78 — —Symbiotic or otherwise related patents
- § 5:79 —Cross-licenses
- § 5:80 —In-bound licenses
- § 5:81 — —Due diligence on licensors and their
technology
- § 5:82 — —Terms of license
- § 5:83 — — —Duration of license
- § 5:84 — — —Exclusivity
- § 5:85 — — —Assignability and change of control
- § 5:86 — — —Scope of license
- § 5:87 — — —Enforcement and defense of patent
infringement
- § 5:88 — — —Options
- § 5:89 — — —Improvements and grant-backs
- § 5:90 — — —Warranties and indemnifications
- § 5:91 — —Diligence in practicing the license
- § 5:92 Whether Target Company’s inventions are
adequately protected
- § 5:93 —Target Company’s invention review and
disclosure procedure
- § 5:94 —Geographic scope of patents
- § 5:95 —Claims in, and prosecution history of, Target
Company’s patents
- § 5:96 Whether Target Company’s patents are being
properly exploited
- § 5:97 —Licenses and settlement agreements
- § 5:98 —Patent misuse
- § 5:99 — —Enforcement misuse
- § 5:100 — —Misuse in licensing practices
- § 5:101 Whether Target Company’s patents are, or are
likely to become, the subject of litigation
- § 5:102 —Infringement
- § 5:103 —Improvements
- § 5:104 Internet considerations
- § 5:105 —Internet impact on patent prosecution
- § 5:106 —Patents issued in Internet-related technologies
- § 5:107 —Changes in business method and joint

TABLE OF CONTENTS

- infringement patent law and their potential impact on Internet-related patents
- § 5:108 —What patent law changes mean for businesses owning and/or using Internet-related technologies
- § 5:109 Summary

CHAPTER 6. TRADEMARK, SERVICE MARK AND TRADE NAME AUDIT

- § 6:1 Overview
- § 6:2 Documents requested
- § 6:3 —Inventory of trademark and trade name registrations in use and planned for use
- § 6:4 —Prosecution histories
- § 6:5 —Pending applications
- § 6:6 —Documents pertaining to administrative proceedings
- § 6:7 —Maintenance and quality control documents
- § 6:8 —Ownership documents
- § 6:9 —Evidence of exploitation of marks
- § 6:10 —Litigation and trademark disputes
- § 6:11 —List of relevant markets, dates of first use and lapse of use
- § 6:12 —Independent searches
- § 6:13 Definition of rights
- § 6:14 —Protectable marks
- § 6:15 — —Marks that qualify for U.S. registration
- § 6:16 — —Rights in unregistered marks
- § 6:17 — —Trade names and commercial names
- § 6:18 — —State trademark registrations
- § 6:19 — —Trade dress designs
- § 6:20 — — —Inherent or acquired distinctiveness
- § 6:21 — — —Nonfunctionality
- § 6:22 —Scope of rights in marks
- § 6:23 — —Strength of marks
- § 6:24 — —Famous marks
- § 6:25 — —The TDRA in historical context
- § 6:26 — —The TDRA, with key terms and phrases highlighted
- § 6:27 — —Famous mark; factors to consider
- § 6:28 — — —Distinctive quality of the mark—
Inherent or acquired distinctiveness

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 6:29 — — —Degree of recognition of the mark in the trading areas and channels of trade used
- § 6:30 — —Commercial use in commerce
- § 6:31 — —Use begins after the mark has become famous
- § 6:32 — —Dilution
- § 6:33 — — —Dilution by blurring and dilution by tarnishment
- § 6:34 — — —Dilution by blurring
- § 6:35 — — —Dilution by tarnishment
- § 6:36 — — —Likelihood of or actual dilution
- § 6:37 — — —Presence or absence of competition
- § 6:38 — — —Presence or absence of likelihood of confusion, mistake, deception
- § 6:39 — — —Defenses to claims of dilution by blurring and dilution by tarnishment
- § 6:40 — —Rights conferred by federal registration: Principal Register
- § 6:41 — —Rights conferred by federal registration: Supplemental Register
- § 6:42 — —Rights conferred by state trademark registration
- § 6:43 — —Common law rights
- § 6:44 — —Trade name rights
- § 6:45 —Duration of rights
- § 6:46 — —Registered marks
- § 6:47 — —Common law rights
- § 6:48 — —Lapse in rights
- § 6:49 —Exceptions to rights
- § 6:50 — —Concurrent use registrations agreements
- § 6:51 — —Consent agreements
- § 6:52 — —Exemptions from liability (defenses)
- § 6:53 — — —Printers, publishers, domain name registrars
- § 6:54 — — —Fair use
- § 6:55 —Supplemental rights: copyright
- § 6:56 Whether Target Company owns the marks
- § 6:57 —Initial ownership
- § 6:58 —Joint ownership
- § 6:59 —Marks created by employees
- § 6:60 —Marks created by independent contractors
- § 6:61 —Assignments
- § 6:62 —Recording of assignments and liens

TABLE OF CONTENTS

§ 6:63	Whether the marks have been properly protected
§ 6:64	—Registrations, applications and related documents
§ 6:65	— —Federal and state registration; common law rights
§ 6:66	— —Intent-to-use applications
§ 6:67	— —Office actions and prosecution history
§ 6:68	— —Oppositions, cancellations, and interference or concurrent use proceedings
§ 6:69	—Maintenance
§ 6:70	—Statements of use/incontestability
§ 6:71	—Renewals
§ 6:72	—Abandonment
§ 6:73	—Statute of limitations, laches, estoppel, and acquiescence
§ 6:74	Whether use of the marks is dependent on third party rights
§ 6:75	—Licenses
§ 6:76	— —Term of license
§ 6:77	— —Exclusivity
§ 6:78	— —Change of control, assignability, and rights of termination
§ 6:79	— —Scope of license
§ 6:80	— —Enforcement of marks
§ 6:81	— —Options
§ 6:82	— —Representations and warranties
§ 6:83	—Concurrent use and consent agreements
§ 6:84	Whether the scope of the marks adequately protects Target Company's actual use
§ 6:85	—Target Company's goods and/or services
§ 6:86	—Prosecution history of Target Company's mark registrations
§ 6:87	—Geographic and temporal scope of marks
§ 6:88	Whether the marks have been properly exploited
§ 6:89	—Naked licenses
§ 6:90	—Genericness
§ 6:91	—Use of an altered form of the mark
§ 6:92	—Changed goods and/or services
§ 6:93	—Use of the ® and ™ symbols
§ 6:94	—Abandonment
§ 6:95	Whether Target Company's marks are, or are likely to become, the subject of litigation

- § 6:96 —Infringement and confusion
- § 6:97 —Dilution
- § 6:98 —Trademark clearance searches
- § 6:99 —Trademark watching services
- § 6:100 —Opposition and cancellation proceedings
- § 6:101 Internet considerations
- § 6:102 —Banner/Pop-up advertising
- § 6:103 —Framing
- § 6:104 —Keyword advertising/sales
- § 6:105 —Metatags, “cyberstuffing”
- § 6:106 —Spamming
- § 6:107 —Social networking sites
- § 6:108 —Deep Web and Dark Web
- § 6:109 Summary

CHAPTER 7. INTERNET DOMAIN NAME AUDIT

- § 7:1 Overview
- § 7:2 —Anatomy of domain names—Top-level domains
and second-level domains
- § 7:3 — —Delegated subdomains (zones)
- § 7:4 — —Third-level domains
- § 7:5 —Authority over the domain name system
- § 7:6 — —.com, .org, .edu, and .net
- § 7:7 — —Country code top level domains (ccTLDs)
- § 7:8 — — —.us and.eu
- § 7:9 — — —Dispute resolution
- § 7:10 — — —Keyword registration and conflicts with
domain names and trademarks
- § 7:11 Homograph domain spoofing and “phishing”
- § 7:12 Requested documents
- § 7:13 Definition of rights
- § 7:14 —Scope of rights conferred by domain name
registration
- § 7:15 — —Exclusivity
- § 7:16 — —Worldwide scope
- § 7:17 — —Entitlement to use the domain name “word”
- § 7:18 — —Trademark rights accruing from domain-
name-only use
- § 7:19 —Duration of rights
- § 7:20 — —Renewal and fees
- § 7:21 — —“Lame delegations”

TABLE OF CONTENTS

§ 7:22	—Exceptions to rights
§ 7:23	— —Differing second-level domains
§ 7:24	— —Differing top-level domains and delegated subdomains
§ 7:25	Whether Target Company is the domain name registrant
§ 7:26	—Initial entitlement
§ 7:27	—Assignments and other transfers
§ 7:28	— —Formalities
§ 7:29	— —Registrations in the name of Target Company affiliates
§ 7:30	— —Registrations in the name of Internet service providers
§ 7:31	—Entitlement to the domain name registration
§ 7:32	— —Domain name dispute resolution policy
§ 7:33	— —Multiple entitlements to a single domain name
§ 7:34	— —Infringing domain name registrations
§ 7:35	— — —Domain names and trademark infringement/dilution
§ 7:36	— — —Anticybersquatting Protection Act (“ACPA”)
§ 7:37	Whether the domain name has been properly protected
§ 7:38	Whether use of the domain name is dependent on third party rights
§ 7:39	Whether the scope of the domain name adequately protects the needs of Target Company
§ 7:40	—Adequate second-level domains
§ 7:41	—Adequate top-level domains and delegated subdomains
§ 7:42	Whether the domain name has been properly used
§ 7:43	—Use of altered versions of the domain name
§ 7:44	—Promotion and protection of the domain name
§ 7:45	—Nonuse
§ 7:46	—“Host not found” and other connection errors
§ 7:47	Whether the domain name is likely to become the subject of litigation
§ 7:48	Domain names in the Deep Web
§ 7:49	<i>[Reserved]</i>
§ 7:50	Summary

CHAPTER 7A. DEEP WEB AND DARK WEB CONSIDERATIONS

- § 7A:1 The Deep Web and Dark Web
- § 7A:2 Surface Web—Terminology
- § 7A:3 —Information available
- § 7A:4 Deep Web—Terminology
- § 7A:5 —Information available
- § 7A:6 —Challenges and limitations on searches
- § 7A:7 Dark Web—Terminology
- § 7A:8 —Information available
- § 7A:9 — —Intellectual property
- § 7A:10 —Challenges and limitations on searches
- § 7A:11 Summary of DarkWeb and DeepWeb Issues

CHAPTER 8. COPYRIGHT AUDIT

- § 8:1 Overview
- § 8:2 Requested documents
- § 8:3 Definition of rights
- § 8:4 —Works protectible under copyright
- § 8:5 — —Categories of works
- § 8:6 — —Requirement of originality: qualitative and quantitative
- § 8:7 Works and information excluded from copyright protection
- § 8:8 —Ideas, plans, methods, and systems
- § 8:9 —“Useful articles”/functional works
- § 8:10 —Words, short phrases, slogans and blank forms
- § 8:11 —Facts, scenes a faire, and other public domain information
- § 8:12 Definition of rights—Scope of rights
- § 8:13 — —Right to reproduce the copyrighted work in copies or phonorecords
- § 8:14 — —Right to prepare derivative works based upon the copyrighted work
- § 8:15 — —Right to distribute copies by sale or other transfer, or by rental, lease or lending
- § 8:16 — —Right to perform or display works publicly
- § 8:17 — —Right to perform or display works publicly by means of a digital audio transmission
- § 8:18 — —Right to authorize or license the doing of any exclusive right
- § 8:19 — —Moral rights

TABLE OF CONTENTS

§ 8:20	—Duration of rights
§ 8:21	— —Works created before January 1, 1978
§ 8:22	— —Works created but not published or copyrighted before January 1, 1978
§ 8:23	— —Works created on or after January 1, 1978
§ 8:24	— —Extension of term and restoration of copyrights
§ 8:25	—Limitations on rights
§ 8:26	— —Fair use
§ 8:27	— —Exhaustion of rights
§ 8:28	— —Additional limitations
§ 8:29	— — —Compulsory licenses; collecting societies
§ 8:30	— — —Limitations on liability relating to material online
§ 8:31	— — —Libraries and non-profit educational institutions
§ 8:32	— — —Food service or drinking establishments
§ 8:33	— — —Vending establishments
§ 8:34	— — —Special interest groups
§ 8:35	Private household exemptions for editing
§ 8:36	Whether Target Company owns the copyrights
§ 8:37	—Initial authorship
§ 8:38	—Joint authors
§ 8:39	—Works of authorship created by employees and independent contractors
§ 8:40	— —Status of creator
§ 8:41	— —Works created by employees
§ 8:42	— —Works created by independent contractors
§ 8:43	—Assignments
§ 8:44	— —Assignment formalities
§ 8:45	— —Assignment of jointly authored works
§ 8:46	— —Scope of assigned rights
§ 8:47	— —Termination of assignments
§ 8:48	— —Recordal of assignments and conflicting assignments and transfers
§ 8:49	— —Priority between conflicting transfer of ownership and nonexclusive license
§ 8:50	— —Mergers and asset acquisitions
§ 8:51	Whether the copyrights have been adequately protected
§ 8:52	—Registration of copyrights
§ 8:53	— —Benefits of registration, preregistration
§ 8:54	— —Registration formalities

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 8:55 —Maintenance of copyrights
- § 8:56 —Statute of limitations, laches, and estoppel
- § 8:57 —Customs recordation
- § 8:58 —Derivative works and compilations
- § 8:59 —Use of copyright notices: the © and symbols
- § 8:60 —Proprietary markings: sales to the U.S.
government
- § 8:61 Whether use of Target Company's copyrights is
dependent on preexisting or third party rights
- § 8:62 —Derivative works of preexisting works
- § 8:63 —Collective works, compilations and
contributions thereto
- § 8:64 —In-bound licenses
- § 8:65 — —Term of license
- § 8:66 — —Rights of termination
- § 8:67 — —Scope of license
- § 8:68 — —Warranties and indemnifications
- § 8:69 — —Enforcement and defense of copyrights
- § 8:70 — —Options
- § 8:71 Whether the scope of the copyrights sufficiently
protects the products of Target Company
- § 8:72 —Target Company's works of authorship
- § 8:73 —Geographic and temporal scope of copyrights
- § 8:74 Whether the copyrights have been properly
exploited
- § 8:75 —Downstream licenses of Target Company's
copyrights
- § 8:76 —Copyright misuse
- § 8:77 —On-line, shareware, and freeware
- § 8:78 Open source software and licensing
- § 8:79 Whether the copyrights are, or are likely to
become, the subject of litigation
- § 8:80 Internet considerations
- § 8:81 —Mass copying and distribution without
permission
- § 8:82 —Blogs and spam in blogs
- § 8:83 —Content created on/using online services (e.g.
Twitter, Facebook)
- § 8:84 —Digital rights management ("DRM")
- § 8:85 —Linking, framing/in-line imaging
- § 8:86 —Scraper sites
- § 8:87 —Service Oriented Architecture ("SOA"),
including web services

TABLE OF CONTENTS

- § 8:88 —Voice over Internet Protocol (“VoIP”) Telephony
- § 8:89 —Webcasting
- § 8:90 —Deep Web and Dark Web considerations
- § 8:91 —Internet access to U.S. Copyright Office
registration database

- § 10:19 —Use of the  symbol
- § 10:20 —Maintenance
- § 10:21 —Enforcement and failure to enforce
- § 10:22 Whether use of the mask works is dependent on preexisting or third party rights
- § 10:23 —Derivative works
- § 10:24 —Assignments
- § 10:25 —Licenses
- § 10:26 Whether the scope of the mask works sufficiently protects the products of Target Company
- § 10:27 —Target Company's mask and semiconductor chip works

TABLE OF CONTENTS

- § 10:28 —Geographic and temporal scope of the protection
- § 10:29 Whether the mask works have been properly exploited
- § 10:30 Whether the mask works are, or are likely to become, the subject of litigation
- § 10:31 Internet and Deep Web, including Dark Web, considerations
- § 10:32 Summary

CHAPTER 11. TRADE SECRET AUDIT

- § 11:1 Overview
- § 11:2 Trade secret as property right
- § 11:3 The Defend Trade Secrets Act—History
- § 11:4 —Definition of a trade secret
- § 11:5 —Statute of limitations
- § 11:6 —Ex parte seizure provisions
- § 11:7 —Inevitable disclosure doctrine
- § 11:8 —Whistleblower protection
- § 11:9 —Immunity
- § 11:10 —Use of trade secret in anti-retaliation lawsuit
- § 11:11 Documents requested and special considerations
- § 11:12 —Documents requested
- § 11:13 —Unique risks associated with the trade secret audit
- § 11:14 Definition of rights
- § 11:15 —Information protectable
- § 11:16 — —Generally
- § 11:17 — —Value
- § 11:18 — —Not generally known and not readily ascertainable through proper means
- § 11:19 — —Not generally known and not readily ascertainable through proper means—
Discovery under license from the owner
- § 11:20 — —Not generally known and not readily ascertainable through proper means—
Discovery by independent development
- § 11:21 — —Not generally known and not readily ascertainable through proper means—
Discovery by reverse engineering
- § 11:22 — —Not generally known and not readily ascertainable through proper means—
Observation of the item in public use or on public display

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 11:23 — —Not generally known and not readily ascertainable through proper means—
Obtaining the information from published literature
- § 11:24 — —Subject of reasonable efforts to maintain secrecy
- § 11:25 —Scope of rights
- § 11:26 — —Generally
- § 11:27 — —Causes of action against federal employees
- § 11:28 —Duration of rights
- § 11:29 —Exceptions to rights
- § 11:30 Whether Target Company owns the trade secrets
- § 11:31 —Initial ownership
- § 11:32 —Joint ownership
- § 11:33 —Trade secrets created by employees
- § 11:34 —Assignment
- § 11:35 Whether the trade secrets have been adequately protected
- § 11:36 —Registration
- § 11:37 —Protective measures generally
- § 11:38 —Protective measures
- § 11:39 — —Use of nondisclosure agreements with third parties
- § 11:40 — —Use of nondisclosure agreements with employees
- § 11:41 — —Special circumstances
- § 11:42 — — —Inventions, patent applications and patents
- § 11:43 — — —Copyright applications
- § 11:44 — —Special circumstance—Litigation
- § 11:45 — —Special circumstances—Disclosures to federal and state agencies; public bidding and hearing processes
- § 11:46 — — —Environmental inspections
- § 11:47 — — —Sales to the U.S. government

CHAPTER 12A. INSURANCE COVERAGE CONSIDERATIONS

§ 12A:1 Overview

TABLE OF CONTENTS

§ 12A:2	Buyer's rights to acquire coverage under the policies of the target company—Coverage for IP
§ 12A:3	Target Company's interest in analyzing its potential coverage for pre-acquisition activities
§ 12A:4	Elements to analysis of potential insurance coverage—What are the facts for purposes of coverage analysis?
§ 12A:5	—Asking the right question: why is there no potential coverage?
§ 12A:6	—Pertinent insurance coverage under advertising injury/personal injury provisions
§ 12A:7	—Analyzing coverage for IP/antitrust litigation under commercial general liability policies
§ 12A:8	Types of IP claims that may fall within Target Company's insurance coverage— “Misappropriation of advertising ideas or style of doing business” (1986 CGL ISO)
§ 12A:9	—Title
§ 12A:10	—“Use of another's advertising idea in your ‘advertisement’ ”
§ 12A:11	—“Infringement of slogan in your ‘advertisement’ ”
§ 12A:12	—“Infringement of copyright in your ‘advertisement’ ”
§ 12A:13	Types of IP claims that may fall within your target company's insurance coverage— “Infringement of trade dress in your ‘advertisement’ ”
§ 12A:14	Offense (d)—Disparagement or defamation of an organization's goods, products or services
§ 12A:15	Exclusions to investigate—“first publication” exclusion
§ 12A:16	—The “knowledge of falsity” exclusion
§ 12A:17	—“Failure to conform” exclusion
§ 12A:18	—“Intentional harm” exclusion
§ 12A:19	—IP exclusions—ISO
§ 12A:20	— —Non-ISO
§ 12A:21	—Breach of contract
§ 12A:22	—Knowing violations of “personal and advertising injury”
§ 12A:23	—Unfair competition exclusion
§ 12A:24	When exclusions limited to intellectual property coverage are deemed illusory

- § 12A:25 When defense fees conducted against liability
are recoverable

PART IV. TRANSACTION AND POST-TRANSACTION CONSIDERATIONS

CHAPTER 13. TRANSACTION, TRANSFER AND POST-TRANSACTION CONSIDERATIONS

- § 13:1 Overview
- § 13:2 Transaction structure: intellectual property considerations
 - § 13:3 —Asset purchases
 - § 13:4 — —Asset purchases involving retained or divided rights
 - § 13:5 — —Successor liability in asset purchases
 - § 13:6 — — —De facto merger or consolidation
 - § 13:7 — — —Continuation of business or enterprise
 - § 13:8 — — —Fraud
 - § 13:9 —Share purchases
 - § 13:10 —Securities-regulated transactions
 - § 13:11 — —Due diligence standards
 - § 13:12 — —Requests for confidential treatment
 - § 13:13 — —Disclosure requirements in publicly-traded entities
- § 13:14 Defective registration statements under § 11(a)
- § 13:15 Disclosures under Section 10(b) and Rule 10b-5 Regulations
- § 13:16 “Materiality” under Supreme Court precedent
- § 13:17 “Materiality” under the SEC Staff Accounting Bulletin and Financial Accounting Standards Board (FASB) Statements of Financial Accountant Standards (SFAS)
- § 13:18 Materiality of the fact of proposed transaction
- § 13:19 Material misstatements related to intellectual property disclosures in securities filings
- § 13:20 Material misstatements; Intellectual property encumbrances
- § 13:21 Material misstatements; Intellectual property exploitation

TABLE OF CONTENTS

§ 13:22	Material misstatements; Intellectual property protection
§ 13:23	Due diligence defense to disclosure liabilities
§ 13:24	“Bespeaks caution” doctrine; use of cautionary language
§ 13:25	Transaction structure: intellectual property considerations—Investments involving less than complete ownership
§ 13:26	— —Creating intellectual property-related conditions to closing
§ 13:27	— —Creating post-closing contractual obligations
§ 13:28	— —Intellectual property management participation
§ 13:29	— —Security interests in subject intellectual property rights
§ 13:30	— —Creating contingent licensing rights for Buyer
§ 13:31	—Joint ventures
§ 13:32	Transaction considerations: cooperation and escrow agreements
§ 13:33	—Intellectual property escrows
§ 13:34	— —Choosing an escrow agent
§ 13:35	— —Software escrow verification procedures
§ 13:36	— —Know-how escrow verification procedures
§ 13:37	—Intellectual property cooperations
§ 13:38	Transaction considerations: short-form intellectual property assignments
§ 13:39	—Patent assignments
§ 13:40	—Copyright assignments
§ 13:41	—Trademark assignments
§ 13:42	—Internet domain name assignments
§ 13:43	—Assignment of agreements
§ 13:44	—Legalization of documents
§ 13:45	—Recordal of assignments and owner changes
§ 13:46	Transaction considerations: schedules of assets and liabilities; allocation of risk
§ 13:47	—Representations and warranties
§ 13:48	—Schedules of assets and liabilities
§ 13:49	—Ownership-related warranties
§ 13:50	—Infringement-related warranties
§ 13:51	—Schedules of disclosures
§ 13:52	— —Due diligence as a disclosure

INTELLECTUAL PROPERTY DUE DILIGENCE

- § 13:53 —Intellectual property-related conditions to closing
- § 13:54 Post-transaction intellectual property audit
- § 13:55 Post-transaction intellectual property asset management
