Client Meetings (Cont'd)

Trial, 1:39

Common Defenses

Generally, 9:248 to 9:254
 Assault and battery, 9:206
 Changes of condition, 9:305 to 9:310
 change was unpredictable or inevitable, 9:306
 comorbidities, 9:313
 complex medical issue, 9:309
 documentation error, 9:317
 hearsay evidence of comorbidities, 9:314
 mandated reporter laws, 9:321
 physician supervised care, 9:315
 poor behavior of resident or family, 9:319
 resident non-compliance or refusals, 9:318
 resident or family declined further medical intervention, 9:308
 responses, 9:311 to 9:320
 staff responded appropriately, 9:307
 suspicion of abuse not reported to authorities, 9:320
 third party negligence, 9:316
 Choking and aspiration pneumonia, 9:269 to 274
 caused by underlying medical condition, 9:273
 facility followed care plan, 9:272
 resident or family refused interventions, 9:274
 unforeseeable, 9:270, 9:271
 Dehydration and malnutrition, 9:150
 Elopement and wandering, 9:231 to 235
 Falls, 9:119
 Fecal impaction, 9:292
 Infections, 9:280
 Informed consent was obtained, 9:251
 Less restrictive alternatives were ineffective or unavailable, 9:252
 Physician ordered and monitored restraints, 9:250
 Pressure injuries, 9:70
 Resident8217s behavior presented immediate risk, 9:253
 Restraints were clinically necessary, 9:249

Common Fact Patterns

Generally, 9:1 et.seq., 9:22
 Assault and battery, 9:190 to 9:215
 behavioral interventions, 9:201
 care plans, 9:197
 common defenses, 9:206
 engagement with mental health professionals, 9:205
 environmental controls, 9:202

Common Fact Patterns (Cont'd)

evaluating foreseeability of aggression, 9:208, 9:209
 incident reporting and response, 9:204
 perpetrators, 9:192
 prevention and interventions, 9:196
 reasonable preventative measures, 9:213
 resident assessments, 9:197
 resident-on-resident, 9:194
 resident placement and grouping, 9:203
 staff-on-resident, 9:193
 staff training, 9:214
 staff training and education, 9:198, 9:199
 sudden and unexpected, 9:211
 supervision and monitoring, 9:200, 9:215
 the role of cognitive decline or impairment, 9:212
 third parties, 9:195
 unavoidable incident, 9:210
 unforeseeable aggression, 9:207
 Changes of condition, 9:297 to 9:310
 common defenses, 9:305 to 9:310
 change was unpredictable or inevitable, 9:306
 comorbidities, 9:313
 complex medical issue, 9:309
 documentation error, 9:317
 hearsay evidence of comorbidities, 9:314
 mandated reporter laws, 9:321
 physician supervised care, 9:315
 poor behavior of resident or family, 9:319
 resident non-compliance or refusals, 9:318
 resident or family declined further medical intervention, 9:308
 responses, 9:311 to 9:320
 staff responded appropriately, 9:307
 suspicion of abuse not reported to authorities, 9:320
 third party negligence, 9:316
 importance of timely response, 9:299
 proper assessment, 9:300
 proper documentation and monitoring, 9:303
 proper reporting and notifications, 9:302
 proper root cause analysis, 9:304
 scope of practice, 9:301
 Chemical and physical restraints, 9:236 to 254
 alternative interventions, 9:247
 chemical restraints, 9:241

[C]

Common Fact Patterns (Cont'd)

- common types of medications in chemical restraint cases, 9:242
- legal and ethical issues, 9:243
- legal considerations, 9:240
- PRN medications, 9:244
- risks and consequences of restraints, 9:246
- understaffing and chemical restraint cases, 9:245
- use in facilities, 9:239
- Choking and aspiration pneumonia
 - aspiration precautions, 9:265
 - common defenses, 9:269 to 274
 - caused by underlying medical condition, 9:273
 - facility followed care plan, 9:272
 - resident or family refused interventions, 9:274
 - unforeseeable, 9:270, 9:271
 - dietary modifications, 9:261
 - emergency response preparedness, 9:268
 - highest risk individuals, 9:258
 - medication review, 9:266
 - oral care, 9:267
 - prevention and interventions, 9:259
 - proper positioning, 9:264
 - supervised eating, 9:263
 - swallowing assessments, 9:260
 - types of textured food diets, 9:262
- Common defenses, 9:248 to 9:254
 - choking and aspiration pneumonia, 9:269 to 274
 - informed consent was obtained, 9:251
 - less restrictive alternatives were ineffective or unavailable, 9:252
 - physician ordered and monitored restraints, 9:250
 - resident's behavior presented immediate risk, 9:253
 - restraints were clinically necessary, 9:249
- Dehydration and malnutrition, 9:124 to 9:156
 - assessing underlying medical conditions properly, 9:152
 - caregiver queuing and prompting, 9:141
 - caused by Alzheimer, 9:153
 - clear neglect, 9:128
 - cognitively impaired residents, 9:130
 - common defenses, 9:150
 - dietician evaluations, 9:138
 - important signs and symptoms, 9:147
 - interventions are still necessary, 9:154
 - monitoring fluid and nutrition intake, 9:143

Common Fact Patterns (Cont'd)

- nursing homes
 - nutritional interventions, 9:137
 - palatable food and fluids, 9:145, 9:146
 - persons most at risk, 9:129
 - prevention and interventions, 9:136
 - providing quality, 9:145
 - relevant laboratory results, 9:148
 - residents with
 - chronic illnesses, 9:135
 - elderly, 9:134
 - medications, 9:133
 - physical disabilities, 9:132
 - swallowing disorders (Dysphagia), 9:131
 - restorative feeding assistance, 9:142
 - special diets, 9:144
 - swallow evaluations, 9:139, 9:140
 - treatment, 9:149
 - unavoidable due to resident's medical condition, 9:151
 - weight loss due to diuretics, 9:155, 9:156
- Elopement and wandering, 9:216 to 9:235
 - assessing risk, 9:220
 - common defenses, 9:231 to 235
 - contacting law enforcement and emergency services, 9:227
 - examples of specific interventions, 9:222
 - importance of immediate response, 9:224
 - initiating facility-wide search, 9:226
 - notifying family members, 9:228
 - persons at risk, 9:218
 - post-elopement protocol, 9:229, 9:230
 - prevention and interventions, 9:219
 - prompt activation of alarm systems, 9:225
 - supervision and security measures, 9:221
 - transfer to higher-level facility, 9:223
- Falls, 9:77 to 9:123
 - alarms, 9:96, 9:97
 - assessing residents, 9:89
 - at risk individuals, 9:79
 - bed rails, 9:99 to 9:101
 - bedside mats, 9:93
 - care plan modification, 9:114
 - care plan review, 9:114
 - cognitive assessments, 9:86
 - common defenses, 9:119
 - communication, 9:115
 - comprehensive risk assessment, 9:83
 - defense argument, 9:117
 - documentation, 9:115

Common Fact Patterns (Cont'd)

elements, 9:84
 environmental assessments, 9:87
 environmental modifications, 9:94
 exercise programs, 9:104
 extrinsic risk factors, 9:81
 foot care and podiatry services, 9:106
 hearing assessments, 9:105
 hydration management, 9:107
 immediate assessment, 9:110
 immediate care, 9:110
 increased supervision, 9:102
 intrinsic risk factors, 9:80
 lack of causation, 9:122
 lowering bed height, 9:91
 medical evaluation and treatment, 9:111
 medical history review, 9:85
 medication review, 9:103
 met standard of care, 9:123
 mobilization, 9:90
 non-slip footwear, 9:92
 nutrition management, 9:107
 other interventions, 9:108
 people fall naturally, 9:120
 physical assessments, 9:86
 plaintiffs' argument, 9:118
 post-fall monitoring, 9:112
 prevention and interventions, 9:82
 regular monitoring, 9:88
 root cause analysis, 9:113
 single fall cases, 9:116
 toileting and toileting plans, 9:98
 treatment, 9:109
 unavoidable due to clinical condition, 9:121
 use of pendants and wristbands, 9:95
 vision assessments, 9:105
 Fecal impaction, 9:288 to 9:296
 at risk persons, 9:290
 common defenses, 9:292
 other defenses, 9:296
 prevention and interventions, 9:291
 staff provided appropriate care, 9:295
 unavoidable, 9:293, 9:294
 Infections, 9:275 to 9:287
 adequate infection control measures, 9:284, 9:285
 appropriate staff response, 9:287
 common defenses, 9:280
 common types, 9:278
 infection originated outside facility, 9:281, 9:282
 infection was not primary cause of harm, 9:286
 infection was unavoidable due to resident's health, 9:283

Common Fact Patterns (Cont'd)

prevention and interventions, 9:279
 Pressure injuries, 9:4 to 9:76
 advanced wound care technologies, 9:69
 assessing risk, 9:33 to 9:38
 braden scale, 9:35
 norton scale, 9:36
 skin scale, 9:37
 avoiding friction and shear, 9:53
 bony prominence, 9:24
 checking pedal pulses, 9:54, 9:55
 common defenses, 9:70
 contesting, 9:75
 debridement, 9:67
 deep tissue pressure injury, 9:21
 dressing application, 9:62
 education and training, 9:56
 elderly persons, 9:27
 erythema, 9:16
 full-thickness skin loss, 9:18
 tissue loss, 9:19
 higher level of care, 9:60
 high risk individuals, 9:25
 incontinence management, 9:49, 9:50
 individuals with
 chronic conditions, 9:28
 history, 9:32
 limited mobility, 9:26

Financial abuse, 13:47

Pressure Injuries

Generally, 9:4 to 9:76
 advanced wound care technologies, 9:69
 assessing risk, 9:33 to 9:38
 braden scale, 9:35
 norton scale, 9:36
 skin scale, 9:37
 avoiding friction and shear, 9:53
 bony prominence, 9:24
 checking pedal pulses, 9:54, 9:55
 common defenses, 9:70
 contesting, 9:75
 debridement, 9:67
 deep tissue pressure injury, 9:21
 dressing application, 9:62
 education and training, 9:56
 elderly persons, 9:27
 erythema, 9:16
 full-thickness skin loss, 9:18
 tissue loss, 9:19
 higher level of care, 9:60
 high risk individuals, 9:25
 incontinence management, 9:49, 9:50
 individuals with
 chronic conditions, 9:28

Pressure Injuries (Cont'd)

history, 9:32
 limited mobility, 9:26
 poor nutrition or hydration, 9:30
 infection control, 9:64
 laboratory tests, 9:63
 mattresses and support surfaces, 9:44
 medical records, terminology, 9:23
 national pressure injury advisory panel, 9:9
 normal layers of skin, 9:14
 nutritional support, 9:48, 9:66
 obscured full-thickness skin tissue loss, 9:20
 optimizing mobility, 9:51, 9:52
 other surgical interventions, 9:68
 other wound types, 9:76
 pain management, 9:65
 partial-thickness skin loss with exposed dermis, 9:17
 people with
 cognitive impairments, 9:31
 incontinence, 9:29
 pre-existing, 9:71
 medical conditions, 9:72
 unavoidable, 9:73, 9:74
 prevention and interventions, 9:39
 protective devices, 9:42, 9:43
 recklessness finding
 failure to provide needed interventions, 9:57, 9:58
 regular repositioning, 9:40
 repositioning program, 9:41
 skin care, 9:47
 skin inspections, 9:45, 9:46
 staging, 9:13
 treatment, 9:59
 turning program, 9:41
 wound cleaning, 9:61

Pre-trial discovery

Generally, 10:1 to 10:134
 Abuse and neglect
 Elder Abuse Act, 10:5
 long-term care facility, 10:5
 Accounts Control
 generally, 10:107 to 10:110
 credit agreements, 10:110
 expenses control, 10:109
 revenues control, 10:108
 Activities Of Daily Living (ADLs)
 omission, critical documentation, 10:23
 shift and assignment sheets, 10:30
 ALF policies and procedures
 Administrator, qualifications and duties, 10:28
 licensee, policies of, 10:28
 Applicability

[P]

Pre-trial discovery (Cont'd)

- Civ Code § 3295, 10:129
- Budget control
 - generally, 10:105
 - invariably labor, 10:105
 - revision and review processes, 10:105
 - variance control, 10:106
- Burden objections, 10:133
- Care provider testimony
 - defendant facility care provider depositions, 10:35
 - depositions
 - current employees, 10:37
 - defendant facility care provider, 10:35
 - former employees, 10:36
 - practice pointer, 10:38
- Common objections to discovery
 - generally, 10:113 to 10:120
 - defendants' mental state discovery evidence, 10:118
 - reckless, malicious, oppressive, and fraudulent, conduct, 10:118
- intra-defendant discovery
 - admission by plaintiff, 10:119
 - thieves of liability, 10:119
- overbreadth
 - admission by plaintiff, 10:114
 - allegations, complaint, 10:115
 - practice pointer, masquerading objection, 10:116
 - scope, 10:115
 - time frame, trial intentions, 10:117
- practice pointer
 - masquerading, 10:116
 - quantum of work, 10:116
- subsequent conduct discovery
 - neglect of plaintiff, 10:120
- Communications and Electronically Stored Information (ESI)
 - evidence, 10:25
- Complaint
 - SNF Policies and Procedures, neglect in, 10:29
- Corporate defendant liability
 - generally, 10:91 to 10:102
 - accounting records, access to, 10:95
 - Common corporate organization, 10:92
 - communications, 10:100
 - contracts, policies and procedures, 10:101
 - facility information, access to, 10:94
 - form, 10:102
 - health records, access to, 10:95
 - intra-company dashboard, 10:95
 - management agreements
 - generally, 10:97 to 10:99
 - parties and negotiations, 10:99

Pre-trial discovery (Cont'd)

- services, 10:98
- operational control
 - generally, 10:94
- Relevant evidence
 - generally, 10:93
 - supervision of facility employees/directors, 10:96
- Theories of Corporate Liability
 - generally, 10:93
- Depositions
 - facility deposition discovery restaffing
 - generally, 10:72 to 10:76
 - acuity, 10:76
 - complaints, staffing, 10:74
 - personal staffing concerns, 10:73
 - ratios, staffing, 10:75
 - general considerations, 10:3
- Document discovery
 - evidence
 - elder abuse action, 10:7
 - plaintiffs' chart, 10:7
- Documents Evidencing
 - Acuity
 - generally, 10:56 to 10:64
 - assisted living facility and resident acuity, 10:62 to 10:64
 - facility assessment, 10:61
 - facility Assessment, 10:61
 - Minimum Data Set assessments, 10:58
 - patient driven payment model categories, 10:58
 - payroll type, short term vs. long term, 10:60
 - Program for Evaluating Payment Patterns Electronic Reports, 10:59
 - Skilled Nursing and Resident Acuity, 10:57
- inadequate supervision
 - generally, 10:69 to 10:71
 - nurse supervision, 10:70
 - personnel files, 10:71
 - registered nurses, importance, 10:70
- Numerical Staffing
 - generally, 10:46 to 10:55
 - CDPH Form 612, 10:53
 - census, 10:51
 - payroll, 10:49
 - practice pointer, 10:55
 - punch detail report, 10:49
 - Registry and Staffing Agencies, 10:50
 - schedule, 10:47
 - shift sheet and assignment sheets, 10:48
 - SNF Specific Documents, 10:53, 10:54

Pre-trial discovery (Cont'd)

- staffing grids and ladders, 10:52
- waiver for compliance, 10:53
- Qualitative Staffing
 - generally, 10:65 to 10:68
 - in services, 10:67
 - new hire orientation and training, 10:66
 - online training, 10:68
- Elder Abuse Act, 10:1
- Common objections to discovery
 - defendants' mental state, 10:118
- Electronic Health Record (EHR)
 - generally, 10:8
 - audit
 - logs, 10:11
 - reports, 10:12
 - created date, 10:10
 - effective date, 10:10
 - legends, 10:24
 - Person Most Qualified (PMQ), form, 10:13
 - printed, shuffled and rescanned productions, 10:9
- End-of-Shift Reports
 - critical shift neglects, 10:31 to 10:33
 - plaintiff communication, 10:31 to 10:33
 - unique identifier number, 10:31 to 10:33
- Evidence
 - document discovery
 - elder abuse action, 10:7
 - governing body meeting minutes for snfs, notice, 10:82
 - job descriptions, 10:26
- Failure to respond
 - bonuses, 10:89
 - budgets/labor allocation, 10:88
 - evidence, 10:87
 - notice, 10:87
 - problems: reckless, malicious, oppressive, or fraudulent, 10:87
 - revenues/profits, 10:90
- Financial control, 10:103
- Financial evidence
 - discoverable to prove defendants' liability, 10:131
 - objections
 - Civ Code § 3295, 10:128
 - practice pointer, 10:132
- 24-hour Reports
 - critical shift neglects, 10:31 to 10:33
 - plaintiff communication, 10:31 to 10:33
 - unique identifier number, 10:31 to 10:33
- Job descriptions
 - evidence, 10:26

Pre-trial discovery (Cont'd)

- Long-term care facility operations
 - burden of proof, 10:44
- Medication Administration Records (MARs)
 - shift and assignment sheets, 10:30
- Motions to Compel
 - general considerations, 10:4
- Motions in limine, 10:4
- Negligence
 - problems at facility, 10:77
- Notice
 - Certification and Survey Provider Enhanced Reporting (CASPER), 10:81
 - employees
 - generally, 10:80
 - communications, 10:80
 - complaints and satisfaction surveys, 10:80
 - turnover reports, 10:80
 - facility quality metrics and complaints, 10:78
 - governing body meeting minutes for snfs, 10:82
 - quality metrics available to snfs, 10:81
 - regulators
 - generally, 10:83 to 10:86
 - citations and deficiencies, 10:86
 - complaints, facility reported incidents, and investigations, 10:85
 - DPH for SNFs and DSS for ALFs, regulatory bodies, 10:84
 - elder abuse litigation, 10:83
 - residents/families
 - generally, 10:79
 - complaints and satisfaction surveys, 10:79
 - council meeting minutes, 10:79
 - lawsuits, 10:79
- Objections (see above)
- Omission
 - critical documentation
 - generally, 10:14 to 10:24
 - Activities Of Daily Living (ADLs), 10:23
 - assessments, 10:15
 - care plans, 10:16
 - incident reports, 10:19
 - legends, 10:24
 - Medication Administration Records (MARs), 10:22
 - nursing progress notes, 10:18
 - physician order and progress notes, 10:17
 - therapy records, 10:20
 - Treatment Administration Records (TARs), 10:21
- Ownership control, 10:104

[P]

Pre-trial discovery (Cont'd)

- Person Most Qualified (PMQ)
 - Electronic Health Record (EHR), form, 10:13
 - policies and procedures, job descriptions, staffing, form, 10:26
- Plaintiffs8217 damages
 - Civ Code § 3294, 10:130
- Policies and Procedures
 - ALF policies and procedures, 10:28
 - evidence, 10:26
 - neglect in complaint, 10:29
 - SNF policies and procedures, 10:27
- Privacy
 - generally, 10:121 to 10:127
 - defendants8217 privacy interests
 - objections, 10:122
 - practice pointer, 10:123
 - employees8217 privacy interests
 - identifying witnesses, 10:125
 - objections, 10:124 to 10:126
 - personnel files, 10:126
 - residents8217 privacy interests
 - objections, 10:127
- Production Requests
 - general considerations, 10:3
- Professional negligence, 10:1
- Punitive damages, 10:1
- Quality assurance objections, 10:134
- Related party transactions
 - general ledgers, 10:112
 - money control, 10:111
- Scope of discovery, 10:1
- SNF policies and procedures
 - neglect in complaint, 10:29
 - patient care policies and procedures, as written, 10:27
 - regulation, availability to public, 10:29
- Staffing
 - facility deposition discovery restaffing
 - generally, 10:72 to 10:76
 - acuity, 10:76
 - complaints, 10:74
 - personal staffing concerns, 10:73
 - ratios, 10:75
- Third-party deposition
 - Confidentiality of Medical Information Act (CMIA), 10:43
 - EMS responders, 10:40
 - health care personal
 - burden of proof, 10:41
 - damages and causation issues, 10:41
 - Health Insurance Portability and Accountability Act (HIPAA), 10:43
 - medical negligence case, 10:39
 - practice pointer, 10:43
 - primary care physician, 10:42

Pre-trial discovery (Cont'd)

- Treatment Administration Records (TARs)
 - omission, critical documentation, 10:21
 - shift and assignment sheets, 10:30

Professional Negligence

- Extreme recklessness, 2:30
- Failed surgery, 2:28
- Misdiagnosis, 2:27
- Neglect, 2:26
- Treatment option, 2:29

Protective Order

- Financial abuse
 - Welfare and institutions Code, 13:49

Provable Neglect

- Advising the counsel, 1:10
- Determination of records by experts, 1:12
- Determinaton of records by experts, 1:12
- Expert medical opinion, 1:4
- Interrogation, Screening calls, 1:7
- Procedures, Generally, 1:5 to 1:12
- Qualified consulting expert, 1:9
- Reviewing counsel, 1:8
- Review of records, 1:11
- Screening calls, 1:6

Punitive damages

- Award vs. enhanced remedies under elder abuse act, 14:21
- Defendant8217s conduct
 - malicious, oppressive or fraudulent, 14:23
- Defined
 - despicable conduct, 14:17
 - fraud, 14:16
 - malice, 14:14
 - oppression, 14:15
- Discovery, 14:22
 - financial, 14:24
- Employer liability, 14:19
- Evidence of financial condition and profits, 14:25
- In commission of wrongful conduct, 14:20
- Introduction, 14:1
- Malicious, oppressive or fraudulent conduct, 14:13
- Phase one, 14:26
 - evidence supporting/opposing, 14:28
 - jury instructions, 14:29
 - overview, 14:27
 - verdict form, 14:30
- Phase two, 14:31
 - Factor One8212Reprehensibility, 14:38
 - factors to determine award, 14:36

Punitive damages (Cont'd)

- Factor Three8212Defendants Financial Condition, 14:42
- financial condition, defendants, 14:49
- governing ceci instruction, 14:33
- harm to others, 14:44
- overview, 14:32
- practice pointer, 14:35, 14:37, 14:39, 14:41, 14:43, 14:45
- punishment and deterrence, 14:34
- relationship between punitive damages and plaintiff8217s harm, 14:40
- timing, 14:48
 - obtaining evidence, 14:50
- Trial, overview, 14:47
- Pleading, 14:3
 - amount, 14:5
 - complaint without leave to amend, 14:4
 - enhanced remedies under elder abuse act, 14:9
 - motions to strike prayers, 14:10
 - particularity, 14:8
 - practice pointer, 14:7, 14:11
 - statement of damages, 14:6
- Purpose, 14:2
- Secure, 14:12

Punitive Damages

- Elder abuse litigation, 17:144
- Mediation
 - evaluation of settlement, 18:42

- Q -

Quantum of Work

- Pre-trial discovery
 - common objections to discovery
 - practice pointer, burden to establish, 10:116

- R -

Real Property

- Securing, financial abuse
 - generally, 13:50 to 13:53
 - attachment of defendants interest, 13:50, 13:51
 - les pendens, 13:53
 - practice pointer, 13:52

Residential Care Facility for the Elderly (RCFE)

- Assisted Living Facilities (ALFs), 8:4

Restraining Order

- Financial abuse
 - temporary, 13:47

Review of Records

- Duration of review, 1:13

Review Of Records

- Provable neglect, 1:11

RMOF Element

- Generally, 5:1 to 5:88
- Absence of writeups, 5:71
- Allegations against the hospital, 5:18
- Board members, 5:36
- Bonuses, 5:34
- Budget, 5:31
- Burden of proof on the plaintiff, 5:26
- California appellate court cases, 5:74
- Carter v. Prime Healthcare Paradise Valley LLC, 5:17
- Cases, 5:11 to 5:21
- Challenging Plaintiff's introduction of Regulatory Records, 5:78
- Cochrum v. Costa Victoria Healthcare, 5:13
- Complaints
 - public, 5:87
 - third party healthcare provider, 5:86
- Constructive fraud cause of action, 5:10
- Corporate defendants' extraction of cash from defendant facility, 5:30
- Corporate overseers, 5:83
- Corporate shells, 5:37
- Correction plans, 5:79
